

### Crowell Chosen Good Citizen

Barbara Crowell was selected from a group of three girls, nominated by the seniors, for the title of D. A. R. Good Citizen. Several members of the faculty, who knew the three girls well, voted on the girl with the most outstanding qualities.

These qualities consist of dependability — which includes truthfulness, loyalty, and punctuality; service — service cooperation, courtesy, and consideration of others; leadership — personality, self-control, and ability to assume responsibility; and last, patriotism — which includes unselfish interest in family, school, community and nation.

The Good Citizen will make a scrap book of her outstanding activities during her high school years, including her activities in school, church, and community.

Barbara will enter her scrap book in the state contest. The winner of this contest will receive a one hundred dollar savings bond, as a gift from the National Society.

### Coble and Morris Fill Two Offices

Two A. H. S. teachers were elected to district offices of their group at the South Piedmont district meeting of the North Carolina Education Association held October 18 in Charlotte.

Mrs. Marie Coble, A. H. S. home economics teacher, was named president of her group.

Mr. J. C. Morris, shop instructor at A. H. S., was elected vice-president of the trades and industry group.

Last year A. H. S. also had two teachers named to offices. They were Miss Holbrook, president of the librarians, and Mr. Fry, president of the music teachers. They presided at the meetings of their groups this year.

Resolutions adopted by the teachers asked for pay increases, system of pensions, and other improvements in the educational system.

## WHO'S WHO

BETTY BRUNSON

DOUG KNOTTS

Who is that vivacious senior that is always going around trying to stir up school spirit among the students? Betty Brunson, our chief cheerleader, of course.

After serving as cheerleader last year, she was chosen as chief this year.

Betty is vice-president of the Booster's club and secretary of the mixed chorus this year. She has played varsity basketball for two years, participated in field day every year, in which she brought in many first places for her class, is a member of the Monogram club, the Dramatics club, the Booster's club, and is an active member of the Tri-Hi-Y of the Y. M. C. A.

She is active not only in school work but in church work, as well, being a member of the choir of the First Presbyterian church, of which she is a member.

Blond haired, blue eyed, Betty remarks, "My favorite foods are southern fried chicken and chocolate cake, and Tony Curtis and Jane Powell are the movie stars that I like to see play."

Betty hasn't decided definitely, but she thinks she will continue her education next year at Salem college or W.C.U.N.C.

Whichever school Betty goes to, though, she will stand out in character, service, school spirit, and good personality.

If he always greets you with a big grin and is very popular with his fellow students, it is none other than our football co-captain, Doug Knotts.

Doug is in on about every tackle, and is always blocking that kick. He has really played some outstanding football for A. H. S. during his three years on the varsity.

Doug is co-sports editor of the annual, president of the Monogram club, of which he has been a member for two years, an active member of the Boosters club and Dramatics club, and a member of the Hi-Y of the Y. M. C. A. He has played intramural basketball, participated in field day each year, and has brought in some first places for his class. He likes to play tennis and enjoys going swimming at Rock Creek Pool, where he worked this past summer.

His favorite foods are steak and french fries, with cherry pie and ice cream topping his dessert list.

As a mighty senior, Doug stands 6 feet tall, with big blue eyes and sandy colored hair. He has a very sparkling personality and is well liked by all the students.

Doug, as his brothers have done, will go right down to ye ole Duke to continue his education next year. Here's hoping we hear some fine things from him.

### Chosen Students Go to Greensboro

Eight girls and boys of the Mixed Chorus and Mr. Fry represented A. H. S. at the Fall Music Teachers Conference held at W. C. U. N. C. Monday, October 15.

Each of the eight sections of the chorus chose one singer to represent its group. Those chosen were Carolyn Miller, first soprano; Marylin Green, second soprano; Jane Russell, first alto; Sue Redfern, second alto; J. C. Boone, first tenor; Donald Almond, second tenor; Jimmy Skidmore, baritone, and David Morrow, bass.

There were two rehearsals: one morning session at 9:30 lasting until 11:00, and the afternoon session beginning at 1:30, lasting until 3:00.

There were about 150 students present in the Aycock Auditorium. They sang for the choral directors under the direction of Mr. Jewel. Five songs which will be used in the spring concert at the college this spring were the ones chosen for the students to learn. The purpose of the students on the stage was to give their audience, the choral directors, new ideas about conducting their own choral groups.

The director for the event was Mr. Jewel from Detroit, Michigan. He is choral director of a high school in Detroit with a student body of 5,000. Mr. Jewel will be one of the directors at the spring concert held annually at W. C. U. N. C.
