

Newspapers Praise Webb's Sturdy Single Wing Eleven

A number of newspapers have made comments on the AHS football team and their fine playing thus far this season. Among the complimentary articles that have appeared are:

Charlotte Observer

"A vicious pace is being set by Albemarle. Unless there's a slip along the way, and from all appearances there shouldn't be, one of North Carolina's top winners come the end of the season in November will be Albemarle's solid Bulldogs.

"The boys are given a football when they're old enough to walk," said an ardent Albemarle man, "and you can bank on one thing for certain; we'll have the best string in the conference."

Greensboro Daily News

"Coach Toby Webb, a portly balding believer in the rock-'em-sock-'em single wing style of play, is the man behind the scenes in this latest powerhouse of the South Piedmont conference.

"Thus, the small in number but big potential squad from Albemarle steams along the route to Webb's first title. Anyone who thinks they won't make it had better present some good arguments—particularly on the field where all the final decisions are made."

These quotes are just a few of the praises which the well-deserved team has earned. We are all looking forward to the team's starting down this last steep grade, full steam ahead.

Bullpups Downed By Little Comets

Eddie Fenters and Edshay Brunson starred as the Albemarle Bullpups bowed to the Little Comets of Asheboro 19-14. Fenters scored the first Albemarle touchdown on a reverse, which carried for 45 yards. The other score resulted in a pass from Brunson to Fenters, carrying 50 yards.

The Comets' scores came as results of Bullpups fumbles. Starring on defense for the Bullpups were Roger Saunders and Roger Freeman. Other members of the Bullpups also turned in creditable performances.

Bullpups Downed By Little Comets For Second Time

The Little Comets of Asheboro defeated the Albemarle Bullpups for the second time, 18-13.

The first half of the game was filled solely with breaks for Asheboro. In the first half Asheboro rolled up 18 points against none for the Bullpups.

The second half was quite different from the first. Coach Benton had fired up the Bullpups and they came back fighting. Passes from Edshay Brunson to McManus and Lisk rolled up plenty of yardage.

Lyndell Smith was the running star as he plunged over for two touchdowns. Fenters added one extra point.

Other drives by the Bullpups ran short as the Comets intercepted two passes. The Bullpups ran short twice in the fourth quarter.

Monroe B-Team Defeats Bullpups

Edshay Brunson was the biggest threat against the Monroe Rebels as Monroe rolled over the Albemarle "B" team 12-0.

The Albemarle Bullpups lost their second game of the season as they bowed to Monroe. The Bullpups fell as Monroe turned two pass interceptions into touchdowns.

Lyndell Smith was called on to punt often due to the failure of the Bulldogs to get first downs.

BULLDOG BACKFIELD—Left to right, they are John David Moose, wingback; Wade Smith, blocking back; Donnie (Bulldozer) Smith, fullback; and Ralph (Cadillac) Setzler, tailback.

Local Civic Clubs To Buy Bus For School Activities

Three prominent civic clubs of Albemarle, the Lions club, the Rotary club, and the Civitan club, have joined in a campaign to raise funds for an activity bus for the city schools.

Coach Toby Webb is chairman of the project, along with Tommy Hearne and Dr. W. R. Dobbs.

It is estimated that a total of \$3,000 will be necessary to pay for the bus.

The activity bus, which will accommodate forty-one passengers, will be used by the entire city school system. Some of the uses will be trips to Raleigh by the elementary schools, and transportation for choral groups, athletic, and many other school organizations.

J. Millican, Star Guard, Is Injured

Jimmy (Mulehead) Millican, star left guard of the Bulldogs, and AHS's Athlete of the Month, received an injury during the Thomasville game which caused a blood clot over his right kidney.

The game was one of Jimmy's best of the year. He is now hospitalized in Fayetteville but should be out in a few days.

Faculty, student body, Bulldogs, and all Bulldog fans are expressing their regret over Jimmy's injury, and the entire school is rooting for him to get well and back with the team soon.

1954 Girls' Team Started Practice

Regular practice for the girls' basketball team started Monday with approximately 40 girls present to try out for the team.

Miss Schell, who has been coach for the past three years, said Wednesday afternoon at the first meeting of the team that she is looking forward to a successful season.

Those varsity players returning are Evelyn Kimrey, Doris Hinson, Janet Glover, Louise Cooper, Harvie Ann Smith, Judy Barringer, Sandra Westerlund, Carrie Eudy, and Pat Allan. Jo Ann Coley, a former varsity player from Rockwell, will probably be an addition to this year's team.

Only two varsity players graduated from last year's team, Barbara Huneycutt Harris and Janet Troutman Braswell.

Football fan (arriving late): "What's the score?"

Man in next seat: "Nothing to nothing."

Fan: "Good game?"

Man: "Don't know. It hasn't started yet."

Weather Forecast

Thunder showers Friday. Probably followed by Saturday.

Avoid that run down feeling—cross streets carefully.
