Senior Class Is Ordering Robes

The seniors have started the new year off right by ordering their graduation caps and gowns.

Calling cards have been received by all the seniors. Glenn Talbert, senior class treasurer, was in charge of ordering these cards.

White caps and gowns for the girls and blue ones for the boys were the colors decided on by the seniors at their last class meeting. Senior boys in the Mixed Chorus are renting the chorus robes in order to complete payments on the robes bought last year.

Also in the last senior class meeting, the seniors considered for a class gift either new scenery for the stage or a sound system for the gym. Nothing definite has been decided on yet.

Langley Attends Hi-Y Council Meet

Gene Langley attended the seventh annual national Hi-Y Council planning meeting for Hi-Y and Tri-Hi-Y clubs December 27, 28, and 29 at Lake Forest, Ill. He was one of the two delegates from North and South Carolina.

The main theme of the conference was a discussion on the part the YMCA plays in youth activities on the national and international scene. Ways of promoting better relationships were also discussed in detail.

Gene is very active in Hi-Y work, having been president of his club for two years. He has also been a member of the Interstate YMCA Council for three years, chairman of the Interstate Hi-Y Conference planning and evaluation committee, and presided at the last Hi-Y conference held in High Point.

The Music Goes Round And Round

Assembly Program

The AHS Band has had a busy schedule for the past month. February 1 they went to West Albemarle School, where they put on an hour and a half assembly program. The program was a big success and they decided to go to the rest of the elementary schools and put on a program.

Ice Hockey Game

Saturday night, February 2, the band was invited by the Jaycees to provide music for "Albemarle Night" at the Ice Hockey game at the Charlotte Coliseum. Albemarle was well represented at the game with about seven hundred people. The band played for about an hour and fifteen minutes.

Clinic

Friday and Saturday, February 8 and 9 were big days for the band members who went to Greensboro to take part in a band clinic. Those who went were Ronnie Haire, Rogell Hunsucker, Jerry Lou Holbert, Lewis Lowder, Sandra Allen, and Mary Jo Winn.

Ruling Changes

This year there has been some change in the band contests. The ruling has changed to promote better bands. Previously bands that were rated Superior one year at the district contest were allowed the next year to go straight on to the state contests without being judged in the district again. When these bands got there, they weren't very good, so now they have to go to the district contest before the state.

Contest

The band has been preparing for the contest ever since the Christmas holidays, and hopes to

Girls Prove They're Smarter By Leading Term Honor Roll

Girls proved that they must have been studying harder as they led the first semester honor roll.

Twelfth

Gerry Currier, Rona Jane Mauldin, Linda Moose, Anne Rogers, Lulabelle Smith, Shirley Klutz, Jackie Richardson, Jewell Bunting, Carol Little, David Grigg, Robert L. Smith.

Eleventh

Tenth

James Renger, Billie Jo Barrier, Jane Chandler, Linda Curlee, Ann Smith, Nancy Ivester, Tommy Fatkin, Aldena Harrington, Janice Morris, Jo Parks, Judy Redfern, Martha Smith, Sue Tucker, Brenda Huneycutt, Lane Brown, Linda Efird, Millie Hatley, Josh Morton, Gloria Jones, Barbara Hathcock.

Ninth

Myra Whitley, Jerry Holbert, Elaine Morris, Pam Truette, Mike Ross, Eddie Bowers, Charlie Brown, Jimmy Stonestreet, Harry Whitley, Larry Shelton, Landis Miller, Joe Stoker, Joann Holt, Suzanne Finch.

Obedience is yielded more readily to one who commands gently.—Seneca.

He that is good at making excuses is seldom good for anything else.—Ben Franklin.

Teachers' Gray Hairs Explained

Do you know the different types of blood? Well, they are red, white, blue, and yellow—at least, that's what one freshman girl believes, according to her exam paper. Another thinks that you take your temperature to tell how many times your heart beats a minute.

Mrs. Westerlund pleads with her students to read their assignments and not just listen on class. One of her answers on exams was supposed to be the "Wade-Davis Bill." On one of her tests she discovered that one girl had just heard it on class and had written it the way she heard it. Her answer was "the way David's filled."

Pay careful attention to the next few lines, for here are some astounding facts from Mr. Cashwell's geography class. Now it is Marco Polo who discovered the North and South Poles. The students in Mr. Cashwell's class also had to explain the "whys" of night and day. One student answered that they occurred because the earth's surface was moving on the world.

You may not believe it, but these were actual answers.

do better than last year. Last year they received Excellent in both district and state contests, and this year they hope to get Superior. Two years ago was the only time the AHS Band has ever received Superior, and they hope to do it this time.
