

### Quartet Performs For Rotary Club

"There's Nothing Like a Dame" was one of the lively numbers with which the Boys' Double Quartet entertained Rotary Club members last Thursday at the Hotel Albemarle.

These boys, Mr. Paul Fry, and Peggy Smith were guests of Mr. R. L. Brown, Jr., chairman of the school board, for the luncheon meeting.

KATHRYN: "TOMMY, WILL you see Cary anytime soon?"  
Tommy: "I will if I see him in just a minute."

### Shorthand Honors Given To Six Girls

Shorthand certificates were awarded to six girls on May 2, by the Gregg Publishing Company. Receiving recognition for their work on a three-minute, eighty-word-per-minute test were Linda Barnes, Cynthia Efir, Aldena Harrington, and Marlene Price.

Gail Vanderburg was awarded a certificate for her work on a three-minute, sixty-word-per-minute test, and Gale Whitfield was presented with a certificate for work on a five-minute, sixty-word-per-minute test. Mrs. Carter is their instructor.

### Rotarians Enjoy Musical Program

"In the Still of the Night", sung by the Ninth Grade Girls' Ensemble, was a special feature of the program presented by the Ninth Grade Chorus for the Rotary Club three weeks ago.

From the first song, "I Believe", to the climactic finale, "Born to Be Free", the singers received a hearty response from their audience. Numbers especially enjoyed by the Rotarians were "Tea for Two" and "Night and Day", which were accompanied by O. J. Sikes, III, on the drums.

This chorus gave a similar concert for the East Albemarle P-TA a few days prior to the Rotary Club performance.

### Ten AHS Students Attend Symposium

Ten students from AHS attended the North Carolina Junior Science Symposium at Duke, UNC, and State. They were Sue Tucker, Mary Jo Winn, Harry Whitely, Jerry Lou Holbert, Millie Hatley, Landis Miller, Roger Laney, Neil Efir, Homer Block, Charles Brown, and Mrs. Hatley and Mrs. Rogers accompanied the group.

The program lasted for three days, May 7, 8, and 9. The theme was "Science in the Making—Research in Progress".

Each person attending was given a blue book to write their reactions to the symposium. Most of them expressed the fact that their background in mathematics and science had made the program more interesting and impressive.

All the members were impressed with the displays and lectures.

The students stayed in the dormitories and at the fairground Youth Center.

### Miller Is Elected Senior President

Jimmy Miller has been elected by the juniors to serve as president of the senior class for the coming year.

Jimmy is very outstanding in many school activities. In addition to having been student director of the AHS band, he is also drum major.

The other officers elected were George Harwood, vice-president; Jane Chandler, secretary; and Douglas Eury, treasurer. Miss Chicora Caughman will serve as class sponsor again.

George Harwood is an active junior, especially in the Mixed Chorus where he is now a member of the Moys' Double Quartet.

Jane Chandler has served her class in many ways. She was a commencement marshal last year and has held a first string position on the varsity basketball team.

Douglas Eury, outstanding student, has been chosen the business manager of the Full Moon for next year.

"Pat, is Norris fast?"—I mean as far as track is concerned.—Sue Winn.
