

## Chorus Members Appear In Dedication Ceremony

Members of the Senior Mixed Chorus have made two appearances this year and plan for many others.

Eight members of the chorus sang at the Parade of Flags in observance of United Nations' Week, on October 19. This double mixed quartet was made up of George Harwood, Richard Kimrey, Sherrill Williams, Torger Hetland, Jo Parks, Pam Treece, Shelby Thomas, and Bonnie Lowder. The group sang "A Song for Peace" and Jo Parks sang "One World".

The entire Senior Mixed Chorus sang at the dedication of the new Albemarle Senior High School building. Two selections were sung, "Hallelujah (from the Mount of Olives)" and the "Seven-Fold Amen", as benediction. "Bless This House" was sung by Jo Parks.

Plans for future activities of this group include working on a tape recording project, giving a joint Christmas concert with Hickory High School and giving performances at North Mecklenburg High and Cherryville High.

## Down Beat

The Band has really been working since last issue, trying to put on better performances for the football fans each week. The members, along with the majorettes, have worked up some new songs and routines for halftime shows.

One of the main formations has been a "Train", in which the majorettes imitate engine wheels as the band plays "Alabama Bound". The background for this song was done by the drum section to give the effect of a train gaining speed on the tracks.

The next most used formation has been "T-4-2" with the band of course playing the song "Tea for Two."

Several other formations have been used and many new, more popular songs, such as, "When the Saints Go Marching In", "Slow Poke", "Pennsylvania Polka", and "Half As Much" have been added to the collection and promise to see action in the following games along with "Mickey Mouse" and other older ones.

The Letter Girls have come up with a new weapon called the "Flag Baton". You've probably seen them do their difficult routines with these batons at halftime. Diane, Lydia, and Nancy make it look easy, but it takes a lot of practice to stay together while thousands of people are staring at you.

Band Day was held at the University of North Carolina on October 25, and the ASHS Band was invited to attend. Many bands from all over North and South Carolina attended the game (Wake Forest vs. U.N.C.). At halftime the bands formed on the field to play together. When all of them were in position, not an inch of the turf was seen from the stands. It was a very spectacular sight with each band clad in a different color.

The "Boys in Blue" marched in a parade for the United Fund this month and the drummers got in a little needed marching practice as they tried three cadences, changing from one to another on signal.

The band is looking forward to the next two games and appreciates Catawba's invitation to play for them at their game with Presbyterian tomorrow.

Anybody ever attended any of the dances after the football games.

"Teens with a Purpose" was the theme of the county F.H.A. Rally held at ASHS October 25.

Judy Mabry welcomed the 400 students and fifty advisers who had registered. Mr. J. L. Cashwell and Mr. Claud Grigg then gave greetings.

A very enjoyable skit was given by the East Mecklenburg Club.

After lunch was served in the cafeteria, reports were given by the various committees.

Benton Heights from Monroe concluded the day's events with a very inspiring devotional.

## UNICEF Replaces Dime Or Damage

Teenagers will be out tonight saying "Trick or Treat" for UNICEF instead of "dime or damage" for themselves.

UNICEF is the United Nations Organization for sending supplies to the unfortunate children of the world.

Members of the various Methodist Youth Fellowships in Stanly County will participate in this project.

Gene Starnes is chairman of the project, and Sara Henderson is publicity chairman.
