

BULLDOG BARKS

Athletes Of The Month

AL CALDER

The *Full Moon* salutes Al Calder as one of the Athletes of the Month. He proved himself worthy of this honor as guard for Albemarle gridsters.

Al is active in church and civic programs. His service and club memberships in school activities reveal many qualities of leadership.

His experience on the baseball diamond gave Al a great year in pitching, and his aims for this year are good.

We are proud to honor Al Calder, a true sportsman, as Athlete of the Month.

TERRY MORGAN

ASHS proudly salutes Terry Morgan as Athlete of the Month for his fine performance on and off the football field.

Terry participates in many sports at our school. He belongs to many of the school clubs and is an officer in practically every organization to which he belongs.

The school is confident of Terry while he is on or off the field. So, thanks, Terry, keep up the good work!

SCORELESS BATTLE — Albemarle and South Rowan battled to a scoreless tie September 14 at South Rowan. Tailback Nelson Smith (12) scampers for yardages as Tommy Lander (17) prepares to throw a block on Rebel, Wayne Lipe (31). Benny Atkins (29) runs downfield on his offensive assignment.

Coaches' Query

"We are very impressed with the student body and the boys of the football squad," was the statement of Coaches Moyer Smith and Jack White.

Coach White said that he would like very much to teach a course on life in general. It would cover high school, going to college, and adult life.

"Teaching history is a great challenge," said Coach Smith.

When asked what it was like to play against his own team Coach White said he wanted to beat them but felt a tinge of guilt because it was his Alma Mater. Coach Smith agreed readily.

Upon returning home, the coaches said that the people of Lexington were proud to find "their little boys had become men." They were well accepted by everyone they met.

Albemarle And S. Rowan Battle To Scoreless Tie

The Albemarle Bulldogs and the South Rowan Rebels held each other to a scoreless tie in a South Piedmont Conference battle September 14 at South Rowan.

Coach "Lope" Linder's Rebels drove for a total of 195 yards while the Bulldogs under Coach Moyer Smith managed to grind out 108 yards. Penalties hampered both teams in crucial moments.

The Rebels made fourteen first

downs while Albemarle made only half that many.

The most important Rebel threat came with about 5 minutes remaining on the clock. End Gene Miller intercepted an Albemarle pass on the Bulldogs twenty-nine yard line. The Rebels pushed to the five-yard line where the Bulldogs showed an impressive goal line stand. Terry Morgan made a tackle and put the ball on the one-yard line. With the ball on the one-yard line the Rebels were penalized five yards for offsidings, and Albemarle took over.

The Bulldogs penetrated deep into South Rowan territory in the second quarter. End Bill Mauldin recovered fumble near midfield. Mauldin then caught a pass from Nelson Smith to move the ball to the twenty-yard line. The Bulldogs pushed to the thirteen-yard line where the drive halted.

Both teams played excellent ball throughout the hard fought contest.

Albemarle Bows To Sturdy Team

The "Bulldogs" met defeat in the first grid contest by aerial offense of the Myers Park "Mustangs" by a score of 32-0, September 7, at Charlotte Memorial Stadium.

In this non-conference game, Albemarle started their drive late in the fourth quarter. Even with their 83-yard progress the "Bulldogs" were unable to score against the tough "Mustangs."

Coach Moyer Smith was disappointed with the first game, but he was very pleased with the fact that the "Bulldogs" were in good shape. Coach Smith said that the "Bulldogs" showed more experience later in the game.

Out of Myers Park's final tally, Jeff Beaver passed four out of five of their touchdowns. A short run by a "Mustang" wrapped up their score.
