Governor's School Selects Mabry For Summer Work

Ellen Mabry will attend Governor's School this summer, June 20-August 7. Chosen on a basis of high score on a qualifying intelligence test, class rank, and interest in her chosen field, Ellen was selected from five nominations from ASHS.

One of four hundred of North Carolina's academically talented high school students, Ellen will

spend eight weeks of the summer in resident study on the campus of Salem College in Winston-Salem.

Having served as a Marshal, mini-course chairman, and homeroom president, Ellen serves in many school activities. She is a member of the National Honor Society and the Marching Band.

Her church activities at First Baptist include Youth Choir, Handbell Choir, Youth Council, and Sunday-School vice-president. Also, she serves as a candy striper at the Stanly County Hospital. Her varied interests include sewing, reading, canoeing, piano, and flute.

The area of Ellen's acceptance is social sciences. The curriculum emphasizes theory. There is no charge to students in residence. The Governor's School program attempts to introduce and to stimulate critical inquiry and thought for student application in continuing education.

The GS has three main areas of learning activity, each with its own emphasis on an important aspect of personality development.

Area I is in the area of special aptitude development. These specialized areas other than Ellen's choice of social science are the Fine Arts, English, French, Mathematics, and Natural Science. Two-thirds of the student's class time is devoted to Area I.

Area II is the area of general intellectual development. About one-sixth of the class time is devoted in this study to enlarge the students' scope to all intellectual areas.

Area III is the area of personal and social development. A faculty of about seventy-five is chosen for the program. As a part of the educational experience, guest lectures, concerts, drama productions, exhibits, films, and student athletic activities form an important part of the summer program.

March In Line

The student body elected marshals for the 1971-72 school year Monday, April 19 during homeroom. Rising seniors elected are Lynn Chivington, chief; Susan Blalock, Joy Early, Brian Garber, and Beth Kelley. Rising juniors are June Fisher, Debby Frazier, and Beverly Sanges.

All students on the first semester honor roll were eligible for the honor. The present senior class elected the marshals.

Underclassmen Get Weak

Students beware! Senior Week is here!

The annual Senior Week is scheduled for May 3-7, with seniors getting privileges over sophomores and juniors.

Scheduled for Friday morning, second period, the Senior Class officers plan to present undiscovered talent from the Class of '71 during the Senior Talent Show.

A picnic lunch is planned for seniors in the middle of the week. The senior class will buy drinks for the entire class, and all seniors will be excused from their fourth period classes.

The Senior Class plans something different by changing the Senior Banquet to a Senior Picnic. Food will be served on Morrow Mountain on Friday or Saturday night during Senior Week.

Sophomores and juniors can relax this year though, because all mistreatment of underclassmen is out. Mr. Hawkins, principal, stated that Senior Week will be cancelled if the hazing of underclassmen occurs.

The Sophomore and Junior Classes must present gifts to all seniors at least once during the week.

The Senior class of 1940 contributed a gift to the school library in memory of Mrs. Isabelle Frazier.

A custom framed art print of *Woodland Stream* by Jasper F. Cropsey is on order for the school library.

The late Mrs. Frazier was the mother of Debby Frazier, a sophomore, and wife of Kenneth R. Frazier, assistant principal and teacher.

Cropsey, an American painter from 1823-1900, is represented in the Metropolitan Museum, Corcoran Gallery, and in private collections in the United States and Europe.

Athletes Assemble

The All-Sports Banquet is May 5, 6:30 p.m. A dinner, served in the cafeteria, will open the annual event.

Following the meal, athletes will assemble in the auditorium.

Introduction of the speaker will be made by Dr. Freeman. The speaker will be Mr. Cal Stol, head football coach at Wake Forest University.

Upon conclusion of the speech, presentation of awards will be made by the respective coaches. Trophies will be awarded in football, basketball, wrestling, baseball, tennis, and golf.

Scholarships Pave The Way

Duke Honors

Steve Blalock, senior, received a grant-in-aid to attend Duke University. The grant will assist him financially the same as if he had received an Algier B. Duke Scholarship, for which he was a finalist.

He was also notified that he has received a James B. Duke Honor Scholarship to attend Furman University at Greenville, South Carolina, but he plans to enter Duke University.

Steve serves as president of the National Honor Society and is photographer and assistant editor of the annual. He is a member of the Science Club and Modern Music Masters. He received both the Biology and History Awards.

He received a letter of commendation in the National Merit Scholarship program and was a nominee for the Morehead Scholarship. He also attended Governor's School in Winston-Salem last year.

Step To State

Charles Burris, senior, received a James M. Johnston Scholarship for an undergraduate study at North Carolina State University.

William M. Greer, director of the Johnston Awards program, announced the award to Charles.

Charles was one of eleven chosen from statewide competition for the award.

Students of exceptional academic ability receive the award from the University Scholarship Committee on the recommendation of their high school faculty. Leadership qualifications are also important.

Charles is second in the Senior Class, a member of the National Honor Society, and of Modern Music Masters. He also serves as president of the Science Club.

Charles also received a James B. Duke Honor Scholarship to attend Furman University, but he plans to enter NC State and accept the Johnston Award.

Gate Opens

Debbie Lowder, senior, is a winner of the 1971 Wingate College Trustee Scholarship Association Award.

Including Debbie, ten Associate Trustee Scholars received an award valued at \$1400.

Dr. Budd E. Smith, president of the college, said that more than fifty nominees for the awards were interviewed by selection committees consisting of

trustees, faculty members, and local civic leaders.

Nominations for the annual awards come from throughout the Eastern United States ranging from Florida to New Jersey.

Established by the board of trustees in 1965, to provide college opportunity for outstanding high school graduates, the awards are Wingate's most prestigious. The awards go to young people with demonstrated leadership ability, top academic achievements, and outstanding qualities of good citizenship.

Eudy Captures First

Mr. H. T. Webb presented Debbie Eudy the first PTSA Scholarship from North Albemarle, Thursday, April 16, during the last regular PTSA meeting.

The 100 dollar scholarship will go toward expenses at Appalachian State University where she plans to attend this coming fall.

Debbie's activities include Varsity Singers, FTA, Boosters Club, FHA, Senior Choir, Junior-Senior Prom Committee, Spec-Talo-Scope, PTSA Executive Committee, Sophomore Hop Committee, Senior Banquet.
