- I, Laura Snider, being of unsound mind and unfit body, leave my mathematical ability to anyone desperate enough to take it and M.J. to Mariel.

- I, Ray Surratt, would like to leave my pencils and books to Corey and Bryan and all my love to Amy D.
- I, Tera Taylor, of struggling mind and faulty spelling, hereby leave Merial my ability to lean, laugh, and bust knees in the 300 low hurdles.
- I, Erinn Tyson, being of sophisticated mind and tantalizing body, do hereby leave my charm and intelligence to my brother.
- I, Mike Vanhoy, leave my guitar playing skills to my brother Barry.
- I, Jeff Weathersbee, leave the "pink house" to Ken Burleson who will probably be around next year. To Neil Klutz I leave a car registration that does not expire.

- I, James Wood, am indeed insane. I leave behind to all that have partied with me the memories of burning down the town.
- I, Tracey Worley, being of sound mind and no body leave Teresa and Gary Krol my love and a longlasting relationship. (Sandy and Gouch — control over a buzz!)
