There's Brains in Them Thar Heads!

By Leslie Morgan

The AHS Quiz Bowl team has had a successful year. The group meets weekly with Mrs. Grigg for practice. Andy Miskell, Captain, Rob Bailey, Jonathan Perry, and Matthew Allison competed at Davidson College in the annual Hi-Q contest in January. They did very well, placing 22nd out of 68 teams, many from 3A and 4A schools. The alternates of this team were David Cranford and Kevin Gay. The following students competed in the Stanly County Quiz Bowl

Contest in February Andy Miskell, Matt Anderson, Matthew Allison, and Rob Bailey. The Alternates were Michael Laton and Kevin Gay. They did not win, but did very well. Thanks to Mrs. Grigg for helping with the Quiz Bowl team. This year's seniors on the team were Andy Miskell, Jonathan Perry, David Cranford, Matt Anderson, and Michael Laton. Rob Bailey, Matthew Allison, and Kevin Gay will all have a chance next year to compete.

Banquet to honor student scholars

By Natasha Byrd

The annual academic awards banquet will be held May 27, 1993. The banquet will be at the Agri-Civic Center at seven o'clock. During this annual banquet, students who are National Honor Society members, North Carolina Scholars, or Presidential Academic Fitness students will be honored for their academic achievements.

This year's banquet will serve an extraordinary number of people. Sixty-five students will be honored. The graduating class of 1993 is a very competitive class. Each student being honored has worked extremely hard for his or her achievements.

A buffet-style dinner will be served at the banquet because of the large number of people expected to attend. Certificates and 1993 silver pieces will be awarded after dinner. Entertainment will be provided by some of the scholar students.

Congratulations to the honored students and their families! Albemarle High School is very proud to be represented by the academic achievements of these students.

Nicole is looking forward to the Academic Awards Banquet.

Time for Change!

By Tina Lee

Next year will be full of many changes. Change is a part of life, but the changes AHS will see next year will change the school's future. Changes have already begun occurring this year. First, AHS saw the retirement of Mr. W.K. Morgan and Mr. Taylor names principal. The time of task emphasis has greatly limited the assemblies. These changes are just naming a couple of the differences in the 92-93 school year.

The 93-94 school year will see ever more changes. Coach Dave Holcomb will leave AHS after 18 years for retirement. The most momentous changes planned for next year is the proposed four courses per semester curriculum. AHS's faculty has already visited a school with this curriculum. Another change being proposed is lock out. Any student who is tardy will not be able to enter the classroom after the tardy bell. Although none of these changes are final, AHS will definitely be different next year!

Don't walk
behind me,
I may not lead.
Just walk beside me
and be my friend.
