

GIRLS SPORTS NEWS

We had our first conference game Friday nite. We played Glenville and got beat. But we hope to win our return game.

Dec. 15 we go to Cullowhee and then on December 18 we play Webster. We are hoping to take both those games.

All the girls on the ball team want to thank Mrs. Migaiolo for getting us all new suits. They look real nice out on the court.

BOYS SPORTS NEWS

So far this year we have played 7 non-conference games. Out of the seven we lost only three games. One to Rabun Gap and two to Nantahla.

Our first conference game is with Glenville here on Friday, Dec. 11. We are looking forward to a Victory. Our next two games after playing Glenville will be with Cullowhee Dec. 15 and Webster Dec. 18. Both of these games are away.

We are looking forward to getting our new uniforms so that all the players will be able to dress out at the games.

CHEERLEADER NEWS

We finally got an order in for our sweaters. We ordered them from Crutchfield Sporting Goods in Spartanburg, S.C. We expect them to come any day now. They will be gold Crewneck with a megaphone through the letter H.

We are trying to get more people to help us cheer at the games. At all of

our home games we will have the middle section of the bleachers roped off for students only. We want all the students to sit in that section and help us cheer. The boys on the ball team can help us during the girls game and the girls can help us during the boys game.

We had our first pep rally Friday, Dec. 11, and it turned out very good. We want to have more pep rallies for the future games. Let us know if you enjoyed the pep rally and if you want to have more.

We have been taking orders for bracelets and key chains. Tuesday, Dec. 15, is the last day to order them. We are going to order a few extra of each so if anyone wants one, tell us. The extra bracelets and key chains won't have initials on them. The bracelets will have Highlands and three charms on them and the key chains will be plain.

Our thanks goes to Mr. Migaiolo for helping us with the pep rally. What he said was important to all of us. We need all the school spirit we can get. All of us hope the students will take an interest in what he said.
