

GRADE NEWS

SENIOR NEWS

The twelfth grade news this month is short but important. We have chosen our mascots for graduation. They are Shirley McKinney and Dennis Wilson. We have also taken our measurements for our caps and gowns. We are now ready for graduation.

Elizabeth Rogers

ELEVENTH GRADE NEWS

Everyone in our room is proudly showing off their new class rings. They look real nice on everyone.

We elected Joan Cleveland as our beauty queen.

"School Daze" books are still being sold. Everyone should buy one because they really are a neat idea.

Melinda Reese

TENTH GRADE NEWS

The sophomore class elected Shirley Baty as beauty queen. We think she makes a cute queen.

The girls that are on the basketball team are Shirley Baty, Linda Hedden, Linda Propst, Fran Vinson, Eunice Wilson. The boys are Billy Newton, Andy Munger, and Leroy Wilson.

Virginia Edwards, secretary, was in charge of a Junior Red Cross collection. We had \$5.15 in for our class. We are glad we could help.

Fran Vinson

NINTH GRADE NEWS

We have quite a few boys and girls out of our room who are playing basketball. We hope they will make us a good team in later years.

We have elected our beauty queen. She is Ann Wax. We think she makes a

very pretty queen.

Our boys are really excited about deer season being open. They are all going hunting. Some of them may be going another kind of hunting. I guess it is dear hunting.

Sandra Burriss

EIGHTH GRADE NEWS

Everyone enjoyed putting up Halloween decorations, but it wasn't very much fun cleaning up afterwards. When Mae Bryson was elected queen of the elementary grades we were all proud to have her in our room.

Some of the pupils are getting use to the surroundings in our classroom. We hope they will learn to stop talking pretty soon or they are going to get tired of writing.

The class made reports on various topics in history which were very interesting.

We are glad to have two new pupils in our room, Linda Rauls from Maine, and Jack Wood from Florida.

Our Thanksgiving decorations have been made by several of the girls and are almost ready to put up.

SEVENTH GRADE NEWS

The seventh grade has been studying about comets, asteroids, and stars in science. Any day now a seventh grader may take off into space.

In history we are studying the discovery of the New World. We wrote a story Monday using fictitious characters mingled with the facts of the discovery of America. Part of our room presented a play about Columbus. They wrote it
