

BIRTHDAYS

Our months are based upon the phases of the moon. This is known as natural division of a calendar.

Our calendar was copied from the early Romans and Greeks.

November, the ninth Roman month, our eleventh. It has the topaze for a birthstone and persons born in November have fidelity.

HOUSEWARMING

On Sunday night, October 29, at eight-thirty, numerous students and adults from both Mount Gilead and Troy gathered in the circle for a previously arranged mission. Proceeding to the principal's new home, guests found Mr. and Mrs. White relaxing after two days of moving in. The Whites received their guests with cordial surprise. The Housewarmers dispersed shortly leaving behind many housewarming gifts consisting of varied and useful household items.

"The best way to prevent a nervous breakdown is to work hard," says a psychiatrist. What's the next best way?

 DEAR MANY HA! HA!

I'm crazy over a boy in my home room (Mrs. Odom) what should I do to get us together.

A Cool Cat

Dear Cool Cat,

I'm sure if you'd talk to "good-ole" Mrs. Odom she'd arrange a get together. You could also tell Mrs. Odom that you had a project in the work room and needed him to help you with it.

Many-Ha-Ha

Dear Many. Ha! Ha!

Who is it that has been sitting with J. L. on bus 58 each afternoon.

"Want to Know"

DEAR WANT TO KNOW

I wouldn't know--I'm an answering service, not a detective agency.

Many Ha! Ha!
