

COLLEGE DAY PROGRAM

Thirty-eight Seniors attended the annual College Day held December 13, at Albemarle Senior High School. There were forty-six colleges represented. Each of the seniors, from Stanly and Montgomery counties was encouraged to learn as much as possible about the college of his choice. The college representatives were well prepared with statistics and folders.

In addition to colleges, the commercial, beauty, and nursing institutions, as well as, the military branches, of the service supplied students with information. The program began at twelve-thirty. West Montgomery students arrived somewhat late because of difficulty with the activity bus.

TODAY

Our school Christmas program will be held on Friday, December 21, during 6th period. Mr. Doolittle is going to direct the chorus in some special selections, after which Mr. White will deliver the Christmas message. The student body will join in the singing of some Christmas carols at the conclusion of the program.

RINGS HERE

On December 3, 1962, the seniors of West Montgomery at long last, received proof that they are indeed honored members of the twelfth grade. Their class rings had arrived. Because they came C.O.D., all seniors had to bring their money before the rings could be distributed. All 75 seniors, at which time received their rings by the end of the day.

Opinions cannot survive if one has no chance to fight for them --Thomas Mann

TEST GIVEN

The Scholastic Aptitude Test for students planning to enter college upon graduation was given December 1, 1962, at Albemarle High School.

This test partially determines whether or not a student is accepted by colleges which require the test. These include most accredited colleges.

The test began at 8:30 Saturday and was finished by 12:30. The verbal portion of the test consisted of vocabulary and reading comprehension. The mathematical portion consisted of simple math, algebra, geometry, and trigonometry.

COMING SOON

Mid term exams will begin January 14, and end January 16. There will be two exams each day. Monday, January 14, first and third period exams will be given. Second and fifth period classes will have exams Tuesday, January 15. The last two exams, fourth and sixth periods, will be January 16. Regular classes will be held in the afternoon with no exams given then.

If you wish to be loved, love. --Seneca
