

Fashion 'n Fad

Diane Callicutt and Wayne Hicks have been selected Mr. and Mrs. Fashionality for May. Both students are as well-liked, attractive, and friendly, as they are well-dressed.

A pretty brunette, Diane appears very lovely in a blue denim shift. The shift may be worn straight; however, it has an attachable sash. White pearl buttons run parallel along the front of the shift and end at the tapered waistline. A sailor collar is another complement to the simple lines of the dress. Diane adds a red, wool, cardigan sweater which proves a handsome contrast in the color scheme of the uniform. Other red accessories complete the total color scheme in the traditional colors-- red and blue. Loafers of medium brown add the crowning touch to a lovely ensemble.

Tall, dark, and handsome aptly describes the commanding appearance of Wayne Hicks. Wayne is outfitted in a popular attire of madras. This navy-blue madras shirt is neatly complemented by beige, continental-style slacks. The handsome Senior adds a madras belt and navy-blue socks which prove to be good-looking mates for the outfit. A navy-blue cardigan sweater adds to the attractive, high school ensemble. Weejuns are the shoes chosen by the personable young man. Wayne reveals good-taste and careful grooming in his selection of clothes.

DONATIONS ADD TO SCHOOL

The Chi Sigma Club of Mt. Gilead donated to the school some money which was used to buy maps for the English departments. Five maps were bought which consist of a Map of Literary Development of the United States, a Pictorial Map of Literary Development of New England States, a Pictorial Map of Mediterranean Mythology and Classical Literature, and a Panorama of World Literature. These maps are very colorful and descriptive; thus enlightening and enlarging the view-point of the student upon the subject. The faculty and students are very grateful for the generous donation.

The Guidance area has been attractively furnished by the K. M. R. Club of Mount Gilead. Beautiful chairs and a trapezoid table have made the reception area more inviting. The curtains, placed in the conference room this year, were furnished by the P. T. A.

SENIORS CHOOSE

In keeping up with West Montgomery tradition, the seniors at West this year are in the process of deciding their class colors, motto, and gift to school. So far, they have chosen red and white as the colors.

The flowers are red carnations. The motto chosen is "Rather than love, than money, than fame, give me truth."
