The Past Week In Athletics.

(By Vance Huneycutt.)

The past week was a hard one for the high school basketball team. Four games were played in the five school days and it surely did keep them busy.

Wednesday they played Mt. Gilead and at the end of the first half things looked bad for the Albemarle boys, with the score 17-11 against them. In the last half, however, they came back strong and swept the boys from Mt. Gilead off their feet, mopping up the game at the same time, 41-24.

The next day they took on China Grove's crack basketball team, but the tables were turned. The boys were tired and sore from the game the previous day, but in spite of that

they were ahead at the end of the first half. In the last half a dispute over a decision of the referee caused one of Albemarle's points to be thrown out. This point would have tied the game up, for when the game was over, the score was 33-32 in China Grove's favor.

The Albemarle boys showed real sportsmanship by yielding gracefully, realizing that there were other things more important than a mere victory.

SOUNDS OF ANOTHER VICTORY

(Ralph Feagin.)

"Get off my foot!"

"Who are you?"

"Ah! Another goal!"

"Where's my man?"

Don't get excited. It was only a basketball game, in which the local boys defeated Troy 50 to 19.

The Albemarle High School boys worked like a ninety-eight cent watch. Their passing of the ball was greatly improved, and their "goal shooting"—why if the boys could shoot birds as well as goals, I'm afraid birds would be a thing of the past.

Troy played good ball but failed to cage 'em as often as the locals.

The Efird brothers race in every game to see who can put the most through the ring. Marbry worked at center like he was getting pay for it. Every now and then he would push one through the goal for fun. The guards also worked hard and caged a few themselves.

The line-up was:

Albemarle 50		Troy 19
Efird, H. 20	R. F.	Russell 8
Efird, C. 16	L. F.	Allen 4
Marbry 12	C.	Tucker 5
Whitley 2	R. G.	McLeod 2
Poe	L. G.	Russell

Subs: Albemarle, McLaughlin for Marbry; Marbry for McLaughlin; Smith for Poe; Huneycutt for Smith; Casper for Whitley. Troy: Poole for Allen; Allen for McLeod.

ALUMNI NOTES.

(By Dorothy Huneycutt.)

The old A. H. S. has indeed the right to be proud of its alumni. Those of every class since we became a high school have made their mark when going out into the outside world. Here I will give a few of those in the later classes—those whom we have all known and loved: Henry Snuggs of '22 is now leading his class at Wake Forest; Byron Shankle of '21 has the state championship in the high and broad jumps; John Harris of the same class is manager of the football team at Trinity, a signal honor for a sophomore. At the same institution, Evelyn Hall of '22 took highest honors in math. and George Harris those in English. So Albemarle should indeed be proud of her record at Trinity. Rudolph Matthews made the honor roll at the University and Mary Anderson ('22) was given first piece in music at N. C. C. W. We will have to lay well the foundation here so that we may equal or surpass these records when we, too, leave the beloved portals of our Alma Mater.
