## SPORTS

As the curtain falls on another school year, we glance at the sports of the past year, and find that Jamestown was again successful. Jamestown High for many years has been a big name in the sports of Guilford County.

Jamestown had things very much their own way during the soccer season and coasted to their sixth straight Guilford County championship. Jamestown added a little more steam and captured its fourth consecutive state championship. Coach Z. V. Morgan, the pride and joy of Salisbury, had a veteran team to begin the season with and kept it at its peak throughout the whole season, winning most of the games by a rout.

Immediately following the soccer season the athletes of "Jintown" carried the blue and white into the County basketball race. (Both the boys' and girls' basketball teams were glad to carry the Jamestown colors, and we are equally glad to have such a noble band wearing the vaunted blue and white.)

After many close and exciting games Jamestown qualified for the tournament at Greensboro. Jamestown's girls and boys teams advanced to the finals. Before a packed house the Jamestown girls defeated the powerful Stokesdale sextet by a 38 to 35 count. Jamestown had a small lead in the final few minutes, and the fans nearly went berserk as Jamestown won with a final burst of glory.

The Jamestown boys made short work of Sumner and almost doubled the score to become county champs.

The Children's Home team also entered the Winston-Salem tournament and brought home the "bacon" in the form of another championship.

In baseball Jamestown came up with a team of unknown quality and surprised everyone by winning enough games to be seeded first with Bessemer in the tourney to decide the ruler of the county crown.

"To the swift comes the laurel wreath of victory" and Jamestown has high hopes of capturing the annual track meet at Curry. Remember boys, when your strength is gone and your breath is coming in short jerks, that you must carry on for dear old Jamestown.

On taking a look into the future, we see to our dismay that we are forsaking soccer for football. Upon being told that the football team will be as good or better than our soccer team, we begin to sit up and take notice.

Speaking in behalf of the staff of the Hi-Lights, I would like to thank Evelyn Caudle, J. W. Warren, Sidney Ray, and Miss Speer for their help in keeping tab on the "Sports Parade".

JULIAN MCGHEE.
