SENIORS PRESENT USUAL CLASS DAY EXERCISES ON MONDAY.

"The Forest Knowledge" is Play Presented by Seniors; Daisy Chain Prettiest for Many Years.

On Monday morning at 10:30 o'clock the College Auditorium was the scene of the Class Day exercises of the Senior Class. The Sophomores, clad in organdy of various colors, and bearing the Daisy Chain on their shoulders, marched into the chapel singing the Daisy Chain song which has been handed down from the class of 1917 to the succeeding classes which graduate during the odd years. An aisle was formed by the Sophomores through which the Seniors marched, wearing white organdy frocks. The Program began with songs to Alma Mater, to the classes of '19 and '23 and with their responses.

The Play presented by the Senior Class was entitled "The Forest of Knowledge." The Plot centered around the search for the Stone of the Wise, composed of Truth, Beauty, and Goodness. Those engaged in the search were the Seer, representing the class of '21 as Freshmen; the Hearer, the class as Sophomores; the Poet, the class as Juniors; Perseverance, the class as Seniors. The first three persons failed in their search because their senses, on which they relied, were ruined by their evil geniuses. Perseverance also was tempted, but was called back to her duty by her good Fairy the mascot of the class. After this her eyes which hitherto had been blind, were opened, and at the end of the rainbow, she saw the pot of gold which contained the diplomas of the class of '21—their passports into the world, to live, to love and to serve.

At the conclusion of the play the Sophomores again formed an aisle with the Daisy Chain through which the Seniors passed, all singing Alma Mater.

FRESHMEN WIN CHAMPIONSHIP IN TENNIS MATCH

The championship tennis game was played Tuesday afternoon at 4:30, the score being 6-1, in favor of the freshmen. Annie Louise Reese and Gladys Gibbs played for the freshmen, and Sybil Smith and Edna Earle Hinton for the seniors.

BREAKFAST AT LASSITER'S MILL MUCH ENJOYED BY SENIORS

Mr. Williams, Former Member of Faculty, Gives Breakfast—Miss Campbell and Miss Law Partake

One of the most enjoyable events of the season was the delightful camp-breakfast given on Wednesday morning to the Seniors by Mr. John Henry Williams, a member of the faculty of State College. The Seniors, accompanied by Miss Campbell and Miss Law, assembled on the campus promptly at seven-thirty prepared for a good time. The street car conveyed the merry crowd to Lassiter's Mill, and there breakfast was served in true camp style. The menu consisted of grapefruit, bacon and eggs, "hot-dogs," rolls and coffee. Every one was in high spirits and Mr. Williams proved to be a most entertaining host. After breakfast the Seniors tried to express their appreciation by songs and yells. Then the dishes, knives and forks were packed up and the crowd started back to school tired but happy. We all join with the Seniors in saying "three cheers for Mr. Williams."

MISS CAMPBELL DELIGHTFULLY ENTERTAINS SENIORS.

On Thursday night, ten o'clock, May 12, all the Seniors gathered around their festal board and enjoyed for the last time an exclusive feast prepared for them by their good Fairy Godmothers, Old Mother Hubbard and The Old Woman Who Lives in a Shoe. One would have thought that they were a group of fairies themselves; for they presented a very bewitching picture in their gay kimonas. However, those who witnessed this gala occasion knew from the way the cocoanut cake, punch and other goodies disappeared that they were forty-three very hungry mortals. After the feast they sang their thanks to the donor of this treat, and then with happy hearts disappeared to their respective places in dreamland.

Mrs. Alfred Harriss, of Charlottesville, Virginia, is here to spend Commencement with Misses Moultrie Drake, Louis Powell, Evelyn Bridges, Mary White and Bert Laurens.
