

Y. W. C. A. NOTES

Last Sunday was the universal Day of Prayer for Students all over the world. This day was observed at Y. W. C. A. vesper service, by songs, Bible readings and prayer. We are sure that it caused each of us to be more aware of our blessings as compared with the blessings of students in other parts of the world.

Girls, how many of you know that in Hot Springs, Ark. from April 20-27 there will be a National Convention of the Young Women's Christian Associations of the whole United States? And do you know what that means? It would take a volume to even mention the various questions which are to be discussed and passed on at this convention, so, obviously, *The Twig* is not the place to secure information concerning them. But it might be interesting to get a very condensed view of the people who will be at the convention. Of course Meredith will be represented, and, furthermore, every woman's college in the whole United States will be represented too. Now that will be quite a bunch of folks. But—the student representation will be only a small part of the people there. There will be delegates from the city Y. W. C. A.'s, from the town Y. W. C. A.'s, from the County and District Y. W. C. A.'s. There will be representatives of Industrial women, of Foreign-born women, etc. There will be, too, people from all parts of the world, to tell of the work of the Y. W. C. A. in their respective countries. Because there are Y. W. C. A.'s in forty-eight different nations of the world today! Doesn't that give you a wider vision of the Young Women's Christian Association? If you want to find out more about the convention in Hot Springs, go to the Library or to the "Y" Room and read about it in the *Association Monthly*, or ask some of the girls on the Cabinet to lend you some of the Convention Bulletins. This is a great thing and we cannot afford to be ignorant concerning it.

Queens College, Feb. 24th—Since Easter comes at such a late date this year, Queens is to have Spring Holidays. They begin Thursday, March 16th, at twelve o'clock and extend until Monday evening, March 20th. Everybody is planning great things during this much appreciated vacation.

"Y" ROOM SUNDAY SCHOOL

Have you ever visited the "Y" Room Sunday School classes, or do you even know about them? We who are members think they are fine, and are always glad to welcome visitors, but especially on rainy Sundays, when it's so easy to run over without dressing for church. We consider ourselves very, very fortunate in having as teachers Mrs. J. W. Bunn, and Mrs. R. N. Simms, who are giving up so much of their time for the Meredith College Department of the Sunday School. Their classes number about thirty and twenty girls respectively. The classes meet together for opening exercises—there is always special music—then separate each occupying one of the "Y" rooms. We are dismissed in time to attend the closing exercises of the Tabernacle Sunday School. We shall be so glad to have you come over to see us at 9.45 any Sunday morning.
