"Y" STORE UNDER  
MANAGEMENT B. S. U.

Just as in all other things, the old order must give way to the new, the Y. W. C. A., which, from the beginning, has had charge of the campus store known as the "Y" store, has handed over the control of the store to the Baptist Student Union.

In a meeting of the student body, Monday night, Isabelle MacLeod, president of the Y. W. C. A. presented the decision on the behalf of the Y. W. C. A. and of the B. S. U. Council. She said, "Now that the B. S. U. has been organized upon our campus for the purpose of unifying all the religious work at Meredith, the Y. W. C. A., as a unit organization, feels that it is not fair for it, alone, to profit from the store. Therefore we are giving the management of the store over to the B. S. U., in order that each of the religious organizations may profit from it."

Katie Lee Walton, who is manager of the store, is to become a member of the B. S. U. Council. She will retain her store committee and work along practically the same lines as before. The name of the store will be decided upon later.

The changing of the management of the store so that all the organizations will profit from it, means the betterment of the college as a whole. The members of the student body recognize and commend the wisdom of the Y. W. C. A. in bringing about the change.

B. Y. P. U. RALLY DAY  
HUGE SUCCESS

September 28 was the day set apart for reviewing interest and enlisting all new girls and those old ones who were not members in active work in the B. Y. P. U. at Meredith. As soon as we got down to breakfast we began to hear about B. Y. P. U. and to see evidences of loyal membership in badges of different kinds worn by the girls, announcing to what union they belonged. Songs and yells greeted our ears and everybody became enthusiastic at the very beginning of the day. The chapel program was in charge of the general B. Y. P. U. organization, and an unusually interesting program was given. The Devotional was followed by a playlet entitled, "The Spirit of B. Y. P. U. at Meredith," effectively presented by girls from the different unions. Miss Platt the new director of recreation supervised the production of this highly original work which was written by Miss Annie B. Noel and Miss Annie M. Kelly.

At five o'clock in the afternoon all the girls who were B. Y. P. U. members and all of the new girls met down in the grove for a Marshmallow roast. They were dressed for a good time and the entertainment freely justified the expectation. After a number of yells and songs, several original and clever stunts were presented to the delight of all. Then at a signal from the master of ceremonies a grand march was begun in the direction of a glowing bonfire which flared and

BAPTIST STUDENT CONFERENCE TO MEET AT  
MEREDITH AND STATE

With the opening of the schools and colleges in North Carolina there comes a distinct challenge to Baptist Students throughout the state.

On October 28-30, next, there is to be held at Pullen Hall, N. C. State College, Raleigh, North Carolina's State-Wide Baptist Student Conference for the year '27-'28.

The eyes of over 3,000 Baptist students throughout the State are being focussed with intense interest on this approaching Conference as they turn, one by one, from their summer's vacation, to assume the duties and responsibilities of the campus and classroom.

At the great South-wide Birmingham Conference it was set apart that each of the Southern States would have their individual state conferences for the next few years, thus allowing the State-wide organizations of B. S. U. to be nurtured more fully by their own resources until it should develop more completely into the true beauty of purpose encompassed by it, that, in the spirit of the Birmingham Conference, of making "Christ, Master of My Generation."

Since that day in Birmingham when each state received its glowing challenge, the conference leaders have felt in deep sincerity the magnitude of the task and in turn have been imploring, almost constantly, the guidance, wisdom, and power of the Holy Spirit that these conferences may be the greatest yet in the history of B. S. U.

In the light of this vision plans have been made to promote this series of conferences that will affect not only North Carolina students, but those throughout the Southland.

First, the state leaders met in Memphis, Tenn. last January for a whole day's session thereby agreeing, in joint conference, upon a general theme of program for the coming conferences. As a result, each state leader has in his hand a program based in theme upon the considerations allowed in that joint conference and each state is looking forward with plans and preparation to its conference this fall.

In North Carolina our challenge is exceedingly great. Our resources in the field of Christian youth is scarcely surpassed. Our talent of student life is not latent but rather, in the words of Henry W. Grady, "Living, breathing, growing every hour."

These is scattered throughout this state from the mountains to the sea a host of Baptist students who are bent upon that which is highest; who are seeking to culminate their forces into a power house for God; who would correlate their campus relationship into one mighty force for Him who is the "Truth and Light;" who would seek to maintain a citizenship on the campus of the proper high ideal, and above all to carry the spirit of the Master "unto the uttermost parts" of the campus.

The B. S. U. of North Carolina, fellow students, is back of you in these noble efforts ever urging you onward and yet onward in these high purposes which alone can enable the individual to be of supreme service, one to another, in the Master's name.

There will be a B. S. U. Roll Call in

DEACONS WIN VICTORY  
OVER TAR HEELS

## MEREDITH GIRLS VISIT CAROLINA

September 24th was a "red letter day" on Meredith's calendar as well as on those of Carolina and Wake Forest. On that day a large number of our students were enthusiastic onlookers at the football game between the Tar Heels and the Demon Deacons. Each team had loyal supporters among our number. After a very thrilling game, Wake Forest carried off the honors, winning over Carolina with a score of 9 to 8.

Among those from Meredith who at-

TRADE WITH  
OUR ADVERTISERSDEANS HOSTESS AT TEA  
ENJOYABLE OCCASION IN HONOR  
OF FACULTY

On Thursday afternoon, the 22d of September at 4 p.m. Misses Lawrence and Bigers, and Mrs. Smith were hostesses at an informal tea given for the ladies of the faculty and several invited town friends. They were greeted in the Library building by Katherine Maddy and in the Faculty parlor, first floor C, received by the Deans.

The parlor was very beautiful with many bright colored autumn flowers. Assisting the hostesses were Mildred Allen, Paige Leonard and Charlotte Curtis. They served the most delectable of sandwiches and cakes, while Miss Poteat and Mrs. Cooper presided at the tea and coffee table.

The occasion proved a very pleasant and opportune time for those present to become better acquainted with each other. All were pleased to meet and have Mrs. Davidson and the new members of the faculty present. Several Raleigh friends were present, among them Mrs. Maddy.

FRESHMAN CLASS  
ELECTS OFFICERS

## LIDA LEE, PRESIDENT

Last Thursday the Juniors held a meeting with their "little sister" class. Each Freshman found herself striving to obtain that undefinable something called spirit; and when the Juniors sang to us and cheered us it came suddenly upon us. We would follow our "big sisters" and share with them the real true spirit of "the Odds."

When, on Saturday night we met again in the auditorium, a small but highly excited group our expectations were realized. Our class officers had been chosen. After a short but effective speech by Marion Fisk, junior class president, it was announced that the following officers had been elected:

President, Lida Lee; Vice President, Irene Thomas; Secretary and Treasurer, Kathleen Dunham; Cheer Leader, Sarah Briggs.

## NEW OFFICERS ELECTED

There was a meeting of the Student Government Association Monday night for the purpose of electing some lacking officers for the various college activities. Le Claire Jacobs was elected as treasurer of the Association to take the place of Mae Fordham, who did not return. Estelle Wilkins was elected as sub house president of Dormitory D. Margaret Nash was elected as Secretary of the Phi Society and Davie Belle Eaton as marshal of the Astroekton Society for the coming year. The chief marshal will be Mary Rodwell Hunter. Elizabeth Brewer will have charge of the Y. W. A. and Mabel Bagley has been selected as secretary of the Y. W. C. A. Cabinet.

We feel sure that these offices are in capable hands for the girls who have been chosen, have previously shown their individual abilities. The entire student body has shown especial interest in all college activities and with the help of these new officers a most successful year is anticipated.
