## Sophs Entertain State Sophs

### COMBINATION LEAP YEAR AND VALENTINE PARTY

#### Society Halls Decorated Beautifully With Red and White

At eight o'clock Saturday night, February 11, 1928 State Sophomores attended a combination Leap Year and Valentine party given by the Meredith Sophomores.

The society halls were beautifully decorated with red hearts and red and white crepe paper. In the Philaretian hall, punch was served by two young Meredith Sophomores.

Each girl was given a red heart and a pencil and told to make five "dates" immediately. This was greatly enjoyed by the girls, who as a rule wait in great suspense while the young gentlemen make the dates. Miss Nora Tew then gave a most amusing recitation "Little Jack spies on Sister." A very interesting item of entertainment was the playlet entitled "Ah!" in which Miss Margaret Whittemore, Miss Mabel Beeker and Miss Mary Louise Edwards participated. The object was to express the various emotions of the heroine, the hero, and the villain, by the use of the single word "Ah!"

Refreshments consisted of Valentine block cream, cakes and heart candies. Another game which all enjoyed was one in which the girls and boys form two rings. The two circles went in opposite directions until the music stopped. Then each boy engaged in conversation with the girl nearest him, on a given subject.

After a final "date" Meredith Sophs bade the N. C. State Sophs a final but rather "sigh full" good night.

## SUNDAY SCHOOL TRAINING COURSES ON OUR CAMPUS FEB. 20-25

### INTERESTING COURSES AND SPLENDID TEACHERS

During the week of February 20-25 there is to be on our campus a Sunday school Study Course. Three interesting courses are to be offered and splendid teachers have been gotten for each of these. The plans are to offer the following books:

"Building a Standard Sunday school," Mr. L. L. Morgan, Teacher.  
"Young People's and Adult Departments," Mr. Perry Morgan, Teacher.  
"Working with Juniors," Miss Gladys H. Beck, Teacher.

It is the desire of those in charge of this that every girl in the college sign up for one of these courses, attend the meetings, and become more interested in Sunday school work.

Everybody's going to be there—come on, don't get left.

## New Organization in Sunday School Classes

### DR. CAVINESS' CLASS HELD HIGHEST RECORD LAST SUNDAY

#### MANY CLASSES TO TRY GROUP PLAN

Each of the seven Meredith Sunday school classes had business meetings last week and elected officers for the remainder of this term. Many classes are planning to try the group plan hoping that this will create more interest and enthusiasm.

We are glad to report that Dr.

## TWO OF FOUR MINUTE SPEAKERS VISIT FORMER DEAN OF WOMEN

### MISS EVABELLE COVINGTON THOUGHTFUL OF GIRLS

#### MABEL CLAIRE HOGGARD AND MADALINE ELLIOT VISIT HER IN WINSTON-SALEM

While in Winston-Salem for the week-end, Mabel Claire Hoggard and Madaline Elliot visited Miss Evabelle Covington, former Dean of Women at Meredith. Although she was not at home at the time, careful inquiry concerning her condition revealed that her health is much better than when she was at Meredith. The Meredith students who knew her will be happy to hear that Miss Covington is enjoying so much better health.

A letter and a large box of candy for the Meredith girls from Miss Covington, which appeared on the bus Monday morning, gave evidence that she remains the same thoughtful, considerate Miss Covington that she was when she was among us. Both letter and candy were thoroughly enjoyed and appreciated.

## Read Reflections on Page Three

Pale is the February sky,  
And brief the midday's sunny hours,  
The windswept forest seems to sigh  
For the sweet time of leaves and flowers.

Yet has no month a prouder day,  
Not even when the Summer birds  
O'er meadows in their fresh array,  
Or Autumn tints the glowing woods.

For this chill season now again  
Brings, in its annual round, the morn  
When, greatest of the sons of man,  
Our glorious Washington was born!

Amid the wrecks of thrones shall live  
Unmarred, undimmed, our hero's fame,  
And years succeeding years shall give,  
Increase of honors to his name.  
WILLIAM CULLEN BRYANT.

## HOW TO LIVE IN 24 HOURS A DAY AT MT. VERNON

By GEORGE WASHINGTON

General Harry Lee once observed to George Washington "We are amazed sir, at the vast amount of work you get done." Washington answered, "Sir, I rise at four o'clock in the morning and a great deal of my work is done while others sleep."

His tour of the farms would average from eight to twelve or fourteen miles a day. He rode upon his farms unattended, pulling down and putting up his fences as he passed, and superintending all of his establishment with a careful eye. Such occupations consumed the entire morning.

Precisely at a quarter before three, the industrious farmer returned dressed, and dined at three o'clock. At this meal he ate heartily, but was not particular in his diet with the exception of fish, of which he was excessively fond.

## Girls Look Forward To Education Class

### MUCH FUN AND BENEFIT FROM CLASS

#### ANNIE BELLE NOEL, ELIZABETH GRAHAM AND PAULINE NEWTON TEACH

Miss Hoagland's classes are beginning the second semester with work, enthusiasm, and interest. Each of the girls is to teach a class in one of her major subjects during the year. In other words the girls are to "make-believe" that their education class is a grammar or high school class. Much fun and merriment is caused by the necessity of this "make-believe." Sometimes the children write notes, talk back to the teacher, do not do their work, and whisper. A few days ago Miss Hoagland was sent to the board to work an algebra problem!

Annie Belle Noel taught an interesting lesson in Home Economics a few days ago. The students brought in such delicious menus that all of the girls could hardly keep from running to the Bee-Hive after class for something real to eat. The menus carried out the color scheme of Valentine Day in an attractive way. Annie Belle was very charming and at ease in the role of teacher.

Pauline Newton and Elizabeth Graham have also taught very interesting lessons. We all look forward to our Education Class!

## FOUR MINUTE SPEAKERS VISIT GREENSBORO AND WINSTON-SALEM

### FROM ALL REPORTS TRIP A BIG SUCCESS

Twenty-six "four-minute" speakers accompanied by Mrs. Chas. E. Maddy, left on Saturday for Greensboro and Winston-Salem, and points near there. In view of the fact that Wake Forest boys had visited these churches the previous Sunday, the Meredith speakers felt a bit hesitant about following them. However, from all reports, the trip was a success; for nowhere have the speakers found such enthusiasm, or such evidence of really liberal giving, as in this Piedmont section. A \$10,000 gift was received from a Greensboro church, while two churches
