Pitt County Chapter of Meredith College Alumnae Meets

The Pitt County Chapter of Meredith College Alumnae met with Miss Eugenia Thomas Wednesday afternoon, October 30. At this meeting the program committee submitted the several projects for the year. It is the purpose of the chapter to sponsor high-class entertainments in the nature of lectures and concerts for 1929-30.

On the evening of December 12 Miss Catherine Allen, professor of modern languages at Meredith College, will be the guest of the chapter at an alumnae dinner. Miss Allen enjoys the distinction of being a former president of the A. A. U. W. of the State, and during the past summer she represented the organization as a delegate to the Geneva conference.

Early in the spring a tea will be given by the chapter to all prospective Meredith College students of Pitt County.

It is the purpose of the chapter to create a stronger love for and greater loyalty to their

Alma Mater. (The secretary, Miss Margaret Broadhurst, 1101 Chestnut Street, Greenville, will be glad to receive the names and addresses of all Meredith graduates and undergraduates that live in Pitt County.)

At the conclusion of the business session Mrs. Lewis Whitehurst, Miss Lelia Thomas, and Miss Margaret Broadhurst were received as new members.

Choosing as her subject "A Brief Survey of the Educational Advantages of Women in the United States," Miss Beth Carroll discussed the beginning of women's colleges. In her thoughtful and enlightening discussion Miss Carroll pointed out the great service that these colleges have rendered in not only raising the standard of woman's knowledge, but equipping them for service in the professions and various fields of business.

Miss Lelia Thomas rendered two beautiful piano selections, "Canzone-Amorosa" and "Gondoliera," by Nevin, which were enjoyed by the chapter.

The hostess, assisted by her mother and Miss Burns, served delicious refreshments.

Should a special religious worker take time for physical exercise, or should she follow the usual interpretation of Paul's "keeping the body under"? "Should a student who is looking forward to special religious work put activities of a religious nature on the campus first in her thinking and in her work? Just how much time should be given to it?" These were some of the questions discussed in the Home Service Band Friday night, November 8, under the general topic, "A Special Religious Worker."

The president was delighted to

see so many—both new and old girls—interested in religious work, be it part time or full time, be it as pianist in the Beginners' Department at Sunday school, Y. W. A. leader, pastor's assistant, student secretary, or any other religious worker, to join the Home Service Band.

What DOES ??275?? mean? Time will tell!

The B. Y. P. U. Study Course is booked for November 24-27. Five courses are to be offered. Start making your plans to attend every one of the class meetings now! They need you, and you need it!

Were you one of the 241 Meredith girls who attended Sunday school last Sunday?
