MEREDITH GIRLS ATTEND CONFERENCE IN ATLANTA

(Continued from page one)

2, during which time one of the largest gatherings of students and leaders ever known will be talking and thinking along the line of the beautiful watchword of the convention, which embodies its spirit and purpose: "Christ, my only necessity."

The group of Meredith girls, with enthusiasm and pep running high, left on a special train, carrying Virginia, North Carolina, and South Carolina students to Atlanta. With Ruth Starling and Pat Abernethy to lead the songs and cheers, the "Meredith spirit" will make itself felt, and the ideals of Meredith will be carried along with its representatives to this great gathering of college people. Ruth and Pat will also lead the songs and cheers for all of North Carolina.

At the conference, which is to be held at the First Baptist Church of Atlanta, the foremost speakers and scholars of the south are to meet with the students and address the convention. Among these speakers are Dr. George W. Truett of Dallas, Texas; Dr. W. J. McGlothlin, President of the Southern Baptist Convention; Dr. R. G. Lee of Memphis, Tenn.; Mr. John Lake, for many years a missionary in China; Dr. John L. Hill of Nashville, Tenn.; and Hon. Pat Neff of Waco, Texas.

The conference holds much pleasure in the way of fellowship and congenial associations for the student delegates. And even more than that, it is a source of inspiration which they may bring back to enrich both their individual lives and the life of their college.

The delegates going from Meredith are: Madaline Elliott, student secretary; Mary Currin, Alma Dark, Sarah Elizabeth Jenkins, Kathleen Durham, Irene Thomas, Anne Harris, Vida Miller, Velma Preslar, Martha Davis, Charlotte Pal-

mer, Nancy McDaniels, Mary Lee, Annette Donavant, Georgia Cowan, Lucile Ward, Arline Daniels, Pat Abernethy, Ruth Starling, Tempie Ricks, Virginia James, Elizabeth Ayscue, and Mary Elizabeth Elam.

DR. C. E. BREWER FILLS AN EXTENSIVE PROGRAM

(Continued from page one)

chief address on Christian Education. Dr. Brewer spoke on the Centennial Campaign. Special recognition was given to the life of Rev. F. T. Wootan, who was a former moderator of the Association, well known and well loved by all. It was necessary for Dr. Brewer to leave at noon in order to return to Raleigh for a meeting of the Meredith trustees that evening.

On Sunday night he spoke at Glen Royall Church, near Wake Forest. For fifteen years he was superintendent of the Sunday school there, giving it up when he left Wake Forest to come to Meredith. His subject for the evening was Fellowship, giving the condensed history of the Baptist State Convention and urging a great round-up for the Centennial Movement.

On Tuesday he journeyed to Wilson to speak at a Rotarian banquet given in honor of the teachers there.

Wednesday evening found him at Bethesda Church, near Durham, speaking on Baptist history and Christian education.

On Thursday he was in Chapel Hill to attend the dinner given in honor of President Hutchins of the University of Chicago. Dr. Hutchins spoke in connection with the Southern Conference on Education which is held each year at the University of N. C. Today Dr. Brewer attended a luncheon in Raleigh given by the Wake County Bar Association in honor of Dr. Hutchins.

N. C. STUDENT FEDERATION MEETS AT STATE COLLEGE

but was also most instructive to the students present. The theme of his address was how to organize a body and, after it is organized, how to draw out the most beneficial activity. After this inspiring talk the meeting adjourned for a short recess and the discussion of the meeting was resumed a little later in the Y. M. C. A. building.

At this time the delegates were addressed by Dean Cloyd of State College, who traced his connection with Student Government work and drew conclusions therefrom. Then, afterwards, a very interesting open forum was led by President Long. During this time student problems found in the colleges represented were brought up and discussed, and suggestions were offered for their solution. At five o'clock the meeting was adjourned by President Paul, the presiding officer.

The delegates met again for supper at six o'clock at the Peacock Alley Tea Room. This was one of the most memorable hours of the day for the supper was really the social event of the occasion. A delicious two course supper was served consisting of a salad course and an ice course. This was planned for the delegates by their said host and hostess, State and Meredith.

The delegates went from there to Pullen Hall on the State Campus where they were addressed by President Joe Long who in his speech summarized the work of the Federation and gave the inspiring challenge for even greater things to be accomplished in the future. Then Mr. Long introduced President Ed. Murrow who is head of the National Federation with offices in New York City. President Murrow is a graduate of the University of Washington and is now giving his entire time to Student Government work. He has spent the last four months traveling in Europe and studying the Student Government conditions there. He is extremely interested in student problems and is ably equipped for his position. In his speech he compared student conditions in Europe with those in America. Needless to say this address proved most interesting and profitable to all present.

Then the members were urged to attend the National Student Government Federation meeting, which is to be held in Atlanta from December 28 to January 2. At this meeting Georgia Tech will be host and representatives will be present from all the leading colleges and universities in the United States. Last year this meeting was held at the University of Southern California and Meredith was represented by her president, Margaret Craig. This year Irene Thomas and Anne Simms are going.

Among the colleges represented last Wednesday were State College, Meredith, U. N. C., Peace, Saint Mary's, Louisburg, E. T. C. T., and the two Raleigh High Schools.

It is encouraging to note that prominent men from all over the United States are backing up Student Government organization. Some men who have made definite statements in this regard are: Herbert Hoover, Roy Lymon Wilbur, Julius Klein, and Wesley C. Mitchell. As has been stated before this is all relatively new work and it will be interesting to watch its development. The Student Governments in other countries have quite revolutionized conditions in some places and the eyes of many are fastened eagerly on the western colleges to watch their progress along this line.
