NEW YEAR'S GREETINGS

We greet the new year (second year of course) with the announcement that the Twigs will be mailed to you (alumnae) one month from now until January. Naturally the more news of you the more interesting the page will be. So we freely solicit your help in this and if you mail to the alumnae secretary at the college any notices for publication—such as meetings, marriages, births, the like. In the next issue we have greetings from Mrs. M. Davis Bunn, our new president to look forward to.

"SON" RETIRED

After thirty-one years of active, continuous loving service "Son" has retired. She resigned late in the summer having decided it would be best for her not to undertake heavy responsibilities of the college infirmary another year. She has sent us word that she knows we'll all miss the "dog's tooth" and how we will! Her friends, who know and appreciate the fine services she has rendered the college, are not confined merely to those left at the home base, but number hundreds of girls who have come and gone since 1900 and settled in places far and wide. "Son" may be reached now at the following address: Mrs. Octavia Norwood, care Mrs. E. B. Hamilton, 110 Raleigh St., Raleigh, N. C.

We, the alumnae of Meredith College, wish to express our sorrow at the loss of one of our members, Lucy Bennett, of the class of 1929. She died in August following a lengthy illness, and to extend to her family and friends our sincere sympathy for the deep loss they have sustained.

We extend our deepest sympathy to Lida Olive, '12 of Apex, and Grace Olive Lane, '18 of Greensboro, in the death of their father, Rev. William S. Olive, D.D., on September 9, at his home near Olive Chapel.

To Joy Beaman McGee, '24 of Burlington, in the death of her mother, Mrs. Mattie Brooks Beaman, ex of Stantonsburg, on August 18.

Dining Room Scholarships

Those who are regular boarding students have become favorably impressed with this new system in the dining room that of all students eating together in the Main dining room with certain of the students themselves acting as waitresses. The system of allowing students to secure dining room scholarships was begun last year on a small scale. This year it is on a much larger scale because of the discontinuance of the club. While the club served a place which was entirely essential in the early days of the college, the time came when it could no longer "fit in"

exactly. In its place the college has given to those wishing and deserving them, dining room scholarships.

The girls who have these scholarships are almost seventy-five in number. They work in three shifts, one for breakfast, one for lunch, and another for the evening meal. This system is proving highly satisfactory to Miss Welch, dietitian, and to the students themselves.

In order that the organization may be as efficient as possible, a student assistant to the dietitian has been appointed. Annie Keith is proving very competent in this position. Proctors in the dining room are Emily Miller and "Pat" Abernethy.
