

Colton English Club Has First Meeting

The Colton English Club held its first meeting of the year on October 6. Mary C. Shearin presided, as the new officers have not been elected. The roll was taken and a nominating committee appointed, with Grace Lawrence as chairman. Another meeting will follow soon to elect the officers for the year. The time will be announced.

All girls taking elective courses in English are eligible to membership in the Colton English Club. This year, as usual, the club will sponsor lectures. The discussion of new books, timely topics in the literary world, and the study of chosen authors constitute a part of the usual club activity.

Music Students Give First Recital of Year

On Thursday, October 6, the first Student Music Recital was given in the auditorium. The program was as follows:

Piano—Improvisation, (MacDowell), Motto Perpetua, (MacDowell)—Mabel Yarborough.

Piano—Etude (Revina)—Mildred Moore.

Violin—Canzonetta (Ambrosio)—Eleanor Hunt.

Voice—Je Sais attacher des Rubans (Old French)—Hazel Martin.

Piano—Polonaise (MacDowell)—Mabel Yarborough.

The recital was attended by a large number of students and was thoroughly enjoyable.

Plans are being made to have a Student Recital every Thursday afternoon and it is hoped that every student of Meredith College will attend them.

Athletic News

Hockey season started off with a bang! The first week was scheduled for Freshman practice. Judging from the number of Freshmen who reported on the field, this year's Freshman team will be the best ever. Pat Abernathy, the coach, is well pleased with the enthusiasm that is being displayed. The Freshmen are all working hard for the hockey stick which the Junior class offered to the Freshman who proved to be the best hockey player.

The upperclassmen started practice the first of this week.

The tennis courts have been completed and Pat Abernathy, president of the Athletic Association, has asked that all girls who play wear tennis or gym shoes.

News has been received that Miss Alda Grayson had made a successful but hazardous escape from Chinese bandits at Lachanfu, China. Miss Grayson graduated from Meredith and has been in China for 11 years in charge of training the nurses at the hospital there.

West Side in Limelight

Many reasons have been offered for the popularity of the rooms on the western side of D dormitory. Is it the girls, the attractive rooms, the cool breezes or the tennis courts that lure freshmen to that side of the hall after classes?

We do not know about the past, but this week the main reason is the view of the State Fair, plainly discernible from the windows. This includes the buildings, the ferris wheel, merry-go-round and other amusing sights. At night, with all the lights blazing, the sight is doubly attractive.

One can almost smell the popcorn and hear the music.

The spectacular display of fireworks has, too, a glamour all its own.

Lawrence Clark Apgar, organist and carillonneur of Duke University boasts of great musical career. Mr. Apgar studied at Curtis Institute in Philadelphia. In his first year at Curtis he was organist at the Forty-third street Methodist church in Philadelphia. He has also played several times at the Washington Memorial chapel in Valley Forge.

Mr. Apgar says: "I find more pleasure in playing upon, and listening to, the organ in the Duke University chapel, than I have experienced with any other instrument."
