Meredith College—Founders' Day. What an interesting combination of terms!

Meredith College---in the midst of its thirty-sixth year---with more than thirteen hundred graduates and numbering about five thousand who have come under its influence on its campus!

Founders' Day-recalling the achievements of those who have labored and sacrificed in order to make it possible for Meredith College to open on September 27, 1899, and to continue with gratifying development year by year. This brief history includes such notable events as Meredith's admission to membership in the Southern Association of Colleges and Secondary Schools, membership in the American Association of University Women, and its name placed on the list of institutions approved by the Association of American Universities. At a time like this we naturally recall the blessings of the past and, at the same time, take a forward look. We rejoice not only in the large number who have studied here but far more in the wonderful contributions these students have made to life through church and community enterprises.

We greet you, dear alumnae, former students, and other friends, with glad hearts today. We are having an unusually fine session. There are 535 enrolled, a number never exceeded at Meredith except for the session of 1927-1928, when we had 551. The spirit on the campus is most gratifying and the work most satisfactory.

OUT-OF-STATE ALUMNAE SEND GREETINGS ON FEB. 1

Teaneck, New Jersey

Greetings and best wishes from the Jersey alumnae.—Elma and Thelma Fleetwood Moore, '24.

Dover, Delaware

I want you to know that I rejoice in the knowledge that Meredith's thirty-sixth year has been such a successful one. May she continue to grow and to serve. "We salute thee, Alma Mater!"---Madaline Elliott Buchanan, '28.

Kansas City, Missouri

Happy greetings to the faculty, student body and former classmates from your representative in the "Show Me" state, in "The Heart of America," on this our thirty-sixth anniversary Founders' Day celebration.—Loula B. Olive Rogers, '08.

It is nice to feel once more that I can express my good wishes to Meredith College and my greetings to my many friends. I hope that all of you have as happy memories of college days as I do. Though many miles away, Meredith's daughters in Massachusetts always feel their Alma Mater's love about them, and are ever grateful for her ideals.
