

B. S. U. Notes

Spring in the world!
And all things are made new!

—Hovey.

Haven't we enjoyed B. Y. P. U. Study Course? Come on, everybody, let's attend one of the S. S. courses next week! Mr. Perry Morgan will teach D. V. B. S. work. This course is in preparation for Bible School Work. He hopes to place as many girls who are interested in churches next summer to conduct D. V. B. S. Dr. Pittard of Apex will teach *How to Win to Christ*; Mr. L. L. Morgan will teach *Building a Standard S. S.*

In Vespers, March 24, we saw Home Missions in its beginning and today, Miss Annie W. Armstrong played an important part in this work as Corresponding Secretary of W. M. U. of the South.

The Melting Pot of the Nations, a pageant presenting a different phase of Home Mission Work will be tomorrow evening at 6:30 in the amphitheatre in the grove. There will be a real campfire. At this time the Annie W. Armstrong offering for Home Missions will be taken. Bring your offering in the small brown paper bag that will be left in your room. Place no name in the bag. Each Meredith girl should have a part in this offering which brings hope and cheer as well as Jesus Christ to the lives of so many right at our door.

Infirmity tray cards were made by the circle on first floor A, Edith Bowden, leader. They will be made next week by third floor B.

The program in Vespers on April 7 will be presented by the Student Volunteer Band of Duke University.

Study to show thyself approved unto men, a workman that needeth not to be ashamed, rightly dividing the word of truth, 2 Tim. 2:15.

Are you coming to the B. Y. P. U. Circus tonight in the Society Halls at 7:45? Wear your print dress and hair ribbon!
