Founders' Day

Each year in celebration of the birthday of the college, the alumnae become linked closer to Meredith through the chain of meetings all over North Carolina and in other places, too, where there are several "old girls." This year Founders' Day comes on Friday, February 7. Elsewhere in this issue a program of the day's proceedings gives you the information that the alumnae will sponsor a tree-planting at 10 a. m. in memory of Dr. Dixon Carroll and in honor of Miss Ida Poteat, both of whom came to the college at the opening of its doors in 1899. Again the alumnae will figure when the bronze portrait medallion of Dr. Dixon Carroll is presented to the college at the regular Founders' Day exercises in the auditorium. For these and other college events of the day, those who live near will have an opportunity to be present, but for those who live farther away something has been arranged in which all may participate—that is the annual radio program over WPTF, Raleigh, 8:30-9 p. m. Mrs. Gordon Maddrey will take over the microphone on the dot of 8:30 and present those taking part in the program. Be sure to heed her admonition to be at a radio with other Meredith girls in your community and ready to join in the singing of Alma Mater. May every alumna have a part in Founders' Day!

Meredith Students Honored by Alumnae

Members of Meredith alumnae association in Charlotte and vicinity gave a lovely luncheon during the Christmas holidays in one of the private dining rooms at Efrd's in honor of the students home from Meredith College. Mrs. James M. Baster, vice president, welcomed the students in the absence

of Miss Pauline Huff, president. Miss Mildred Eaton responded to the welcome.

The college colors, maroon and white, were used in all the table appointments. In the center was a large white bowl filled with red roses placed on a reflector and at each end were silver candlesticks holding red tapers. The place cards were hand-painted, old-fashioned girls.

Miss Frances Morris played two piano numbers, "In a Log Cabin," by MacDowell, and a modern number. Miss Rachael Leonard sang "Ah, Sweet Mystery of Life."

An interesting skit, "A Typical Day at Meredith," was presented by the visiting girls: Misses Louise Helsabeck, Anne Poteat, Mildred Eaton, Rachel Leonard, Frances Morris, Claire Renfrow, Evelyn Mills. Jane Wolfe and Margaret Bingham.

Playwright Receives Honor

Again honor has come to Bernice Kelly Harris (Mrs. Herbert H.) Seaboard, as a playwright. Out of a group of original plays submitted in a national contest, her "His Jewels" was selected as one of the six best. A member of the Civic Repertory Committee gave "His Jewels" very favorable comment.

Chapters

The Rocky Mount Chapter met on December 6 at the home of Mrs. Charlie Gibson with Mrs. P. N. Harper as joint hostess. Mary C. Shearin, President, told the chapter of all the various projects of the Association—Swimming Pool, Ida Poteat Portrait, Dr. Dixon-Carroll Bronze Portrait Medallion, Interesting High School Students in Meredith. The next meeting will be held on Founders' Day with Mrs. Henry Cutchin (Anna Pridgen).

The Raleigh Chapter has just completed its lecture course which began January 10 and was given once a week for four weeks. Miss Ida Poteat gave the lectures, tracing art from the Mayan civilization and the North American Indians through the early American period up to the present time.

News From Japan

Helen Dozier, '33, who is one of the Southern Baptist missionaries, sent the alumnae office recently a most interesting and enthusiastic letter about her work. She is at Kakura, Japan, teaching in the girls' school, and has charge of the Y. W. A. along with many other duties. In addition to this she goes once a week to teach in the boys' school at Fukuoka, where her mother and brother, Edwin, are stationed. Her

Twig friends will be glad to know that she is so happily situated and will appreciate her having made it possible to receive this news from her. Her address is: Selnan Jo Gakuin, Itozu, Kakura, Japan.

Remember:

February is the date on which your Swimming Pool pledge is to be in. If you have not already sent yours to Miss Marguerite Mason, Meredith College, chairman of this fund, will you not do so at once? With a generous response—say one hundred percent from alumnae and students—friends of the college will be more eager to help.

There are still seventy-five Dr. Dixon Carroll plaster medallions for sale—\$1.50. The alumnae office should like to dispose of all of these as soon as possible.
