

GYM TO BE OPEN DURING EXAMS

The winter sports on the campus have not begun as yet because of examinations. The practices will begin as soon after examinations as is possible. Tournaments in shuffleboard, ping pong, and other individual sports will be held then also. However, the need for rest and relaxation during the week of exams themselves has prompted the opening of the gymnasium every night of that week right after dinner. All the students are invited to come in at that time and bowl, play shuffleboard, ping pong, badminton, and darts.
