Home Economics Club

The Home Economics Club met in the cookery laboratory Friday afternoon, February 18. The speaker for the afternoon was Mrs. Maude P. McInnis, home demonstration agent of Wake County, who brought out a very interesting exhibit of soybean products. Mrs. McInnis discussed the history of soybeans as a food product in China and their increasing importance in this country. Of particular interest was her discussion of sprouting which increases the Vitamin C content and shortens cooking time for the soybeans. She stressed the fact that nutritional experts have found the complete protein of soybeans very important as a substitute for meat protein. A general discussion followed at which time Mrs. McInnis answered questions of the club members concerning soybeans. The meeting was concluded with a

tea in the home economics dining room honoring Mrs. McInnis. The table was decorated with red candles and a centerpiece of red and white roses. The patriotic idea was carried out in the refreshments.

Classical Club

Members of the Classical Club met at 7:00 o'clock, February 18, in the Browsing Room. A program was given and refreshments were served.

Have a "Coke" = A thousand miles is not too far to come

... or being friendly with a Chinese cadet

Chinese flyers here in America for training have found that so simple a phrase as "Have a 'Coke'" speaks friendship in any tongue. East, west, north, south, Coca-Cola stands for the pause that refreshes, — has become the happy bond between people of good will.

"Coke" = Coca-Cola
It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
