Badminton Tournament Is Under Way; Class Basketball Teams Are Being Formed

The 1945 basketball season has started. Practices began on Tuesday, January 9 when 29 freshmen and 15 sophomores practiced. Since there are so many freshmen, they have been divided into two teams with Becky Ballentine and Bette Linney as captains of the two groups. Ruth Martin was elected captain of the sophomores.

Juniors and seniors practiced Wednesday with a fairly large group which will probably be larger at the next practice. They have not elected their captains as yet.

According to present plans, there will be six weeks of practice with a class tournament following these practices.

The annual badminton tournament started Wednesday, January 17, and will be going on for the next two weeks. Those taking part are students who have practiced outside of class for eight half-hour periods. There were between 12 and 16 who signed up to play. These competitors are playing the best two out of three games.
