MARTIN REVIEWS HOCKEY SEASON

By RUTH MARTIN

A loud crack, crack, crack on the athletic field takes the place of the thump, thump, thump on the basketball court; but still the shrill shriek of a whistle is heard, this time to signify a "twenty-five yard bully" on even a fowl. Those loud "hurrahs" always add to the color of any game and hockey is no exception—often times when a player feels as though she can not go racing down the field another time, she takes heart again and strikes out toward the goal all because of a "2-4-6-8 who do we appreciate?"

Somehow the out-of-doors does things to a person once he gets out into it. Before you know it after getting out on the athletic field you have completely lost yourself in the game. You feel that everybody in those dormitories should lay their books aside and come join in this recreative activity—you feel that they are losing great fun and you wish to share it with them. If only they would try it, you say to yourself, it would prove itself. Not only do you have fun, but at the same time you gain skill. And so that is why each year at the close of hockey season an honorary varsity is chosen from all the eligible girls.

This year there are two freshmen, five sophomores, three juniors, and one senior on the varsity. The two freshmen are Marty Davis and Peggy Patrick; the five sophomores, Jacque Landfear, Mollie Rea Howard, Eloise Lancaster, Jane Middleton, Mildred Hoyle; the three juniors, Jean Witherspoon, Jean Griffith, Ruth Martin; and the one senior, Mary G. Turner.

The qualities that are considered by the instructor, the manager of hockey, and the captains from each class when they select the varsity are chiefly skill and sportsmanship. Of course the element of attendance enters in, too, because one must be eligible to play in the tournament before she is even considered. Often this a hard task to do and the committee seems to think it was even harder to do this year than ever before!

Silver Shield Elects New Senior Members

The Silver Shield Society recently selected Helen Hall and Mitzi Roddick into the society as two new senior members. New members are selected from the class by the members of the organization and the faculty. Characteristics determining the basis of selection include Christian character, constructive leadership, and service to the school.

During the chapel program in which the new senior Silver Shield members were tapped, Jo Hughes related the legendary history on which the society is founded.
