

SYMPATHY NOTICE

The Meredith College Student body and the faculty express sympathy in the recent death of Ila Mae Davidson of Statesville. Ila Mae entered Meredith this fall as a transfer student from Carson-Newman College in Tennessee and was a member of the Junior Class.

ANNOUNCEMENT

Watch, in the very next issue of the Twig, for the renewal of an old feature, an old guessing game. It will be a contest that includes well-known personalities on the campus.

Record Review

Have you been wondering what to do with those copperheads that are bulging the sides of your piggy (bank, of course)? Why not turn them in for a new album to add to your collection? Stephenson's Music Company recommends a Tschaikowsky album — one consisting of *None But the Lonely Heart, Waltz of the Flowers, Barcarole, Sleeping Beauty Waltz, and Melodie* or the one of his *Piano Concerto in B flat*. In case you are looking for records from the popular angle, how about a Glenn Miller album with the songs, *Tuxedo Junction, Stardust, and American Patrol*?

FRESHMAN FROLICS

The first open week-end found many freshmen making elaborate but hasty departures from the college. While gaily singing such tunes as "Hi docey do, away we go," shoes were polished, hair slicked in place, and elbows scrubbed, in order that the careful eyes of mother might not be disappointed. Then smelling sweetly of cologne and life-buoy, they scampered away, busily composing grand speeches about the new life at college. But it is rumored that, after the first joy of being home, some were prepared to stray away from mamma.

IRENE HUOPANA found that candy apples at the county fair were even better than those at the fair in Raleigh. But then, she had not already eaten three hot-dogs, several cups of French fries, washed down by refreshing Pepsi-Colas, which, by the way hit the spot a little too hard.

MARY ROSEY, from Aberdeen, believes in the good neighbor policy, and took three girls home with her — KATHLEEN FAULCONER, DORIS CON-

CHA, and MARILYN WHITAKER.

BETSY MORGAN spent all Sunday afternoon watching the boys play volley ball. She was so excited in leaving school that she forgot her raincoat and got wet.

MARGUERITE LEATHERMAN, from Lincolnton, had quite a problem. She tried to prove that she was getting more intelligent, but failed.

IMOGENE NARRON especially enjoyed going to a football game, eating, and sleeping. PEGGY LEWIS got home just in time for her grandmother's birthday dinner.

CAROLYN COVINGTON had so much fun she missed two buses and got back to school only five minutes before the deadline.

SARAH POPE "saw everybody at the drug store," and had a fried egg and buttered biscuits.

So, when Sunday night came, it was a tired group of girls who went to bed in the college dormitory with a sigh.

Sports Review

by Bette Linney

Wednesday, October 11, marked the opening of the Hockey Tournament. The first game was tied by the Sister classes by the score of 2-2. The game was well played by both teams. On Thursday, the Sophomore-Senior team took the game with a 1-0 victory over the Freshman-Junior team. The single score, a spectacular long corner hit, was made by Jean Griffith. The Phi-Astro game is scheduled for next Wednesday.

Immediately after the Hockey Tournament is over, fall soccer practices will begin. Let's carry the spirit and enthusiasm which highlighted the Hockey season on into soccer.

The annual sports dinner will be held Nov. 1. At this time the Varsity hockey team will be announced and the Freshman Hockey stick given to that girl which is chosen for outstanding merit in hockey this term. Other awards will be given.

Mrs. Brodie

BALANCES the budget

"You have to be a trained seal to balance a budget these days!" complains Mrs. Brodie.

"Everything costs so much! Take clothing—when you can get it," says Mrs. Brodie, "and look at the price tags! And food—that's simply skyrocketed! Housefurnishings—if you can find a house to furnish—are way up!

"But not electricity!" says Mrs. Brodie. "No, indeed!" says Mrs. Brodie.

"Electricity has been coming down steadily for years!

"Electricity," says Mrs. Brodie, "is just about the easiest thing in my budget to balance!"

★ ★ ★

If you have a budget to balance—and who hasn't?—you'll appreciate that the low cost of electricity is no accident. It took plenty of practical planning and experience on the part of the folks in this company who—like Mrs. Brodie—have budgets to balance, too.

★ ★ ★

(Don't take Mrs. Brodie's word for the rise in living costs. The U. S. Department of Labor will furnish you the figures, if you're interested.)
