

### STUDENT ELECTIONS BEGIN THIS WEEK

Elections began this week with the student body's voting on nominees for president of Student Government, president of the Baptist Student Union, and president of the Athletic Association, the three major offices on the campus. The Points System Committee, under the chairmanship of Joan Drake, is revising completely the election system at Meredith. The new system, however, will not go into effect until one year hence, at the time of the next elections, and will therefore be put into practice the following school year—1948-'49. Under the new plan, offices will be divided into major and minor categories, and more girls will be able to hold office.
