

Sports of the Day

By B. J. JOHNSON

The soccer season ended just before the Christmas holidays with the sister classes playing against each other and a tie resulting from each game. Honorable mention given to the soccer varsity went to "Marty" Davis, Margaret Hall, Imogene Narron, Catherine Carpenter, Lela Butts, Shirley Parker, Mary Bland Josey, Peggy Patrick, "Lefty" Pugh, Betty Jean Shuler, and Ann Josey.

Basketball practices began last week with the Freshman-Sophomore practices held on Monday night — and with the Freshmen showing good prospects; the general practice was held on Tuesday night; the Junior-Senior practice was held on Wednesday night; and another general practice was held on Thursday night. With about thirty people out to practice each night, there is hope that from the general practice participants a team will be formed to play Salem, Woman's College, and Saint Mary's. After exams there will be another week of practice, and then the tournament will be held. A double Round-Robin tournament has been planned so that each team plays each other team twice; then the defeated players can't say, "I bet we could beat that team if we could just play them again." The remaining games scheduled are:
 Jan. 19—General Practice.
 Jan. 20—Freshman-Sophomore.
 Jan. 21—Junior-Senior.
 Jan. 22—General Practice.
 Feb. 2—General Practice.

Feb. 3—Freshman-Sophomore.
 Feb. 4—Junior-Senior.
 Feb. 5—General Practice.
 Next Week — Tournament begins.

A bowling league is to be established from the teams from each of the four dormitories. The tentative time set to go down to the Man-mur Bowling Center is 3:00 p.m. on Tuesdays and 5:00 p.m. on Fridays. If your schedule will fit in with these times and if you are interested in bowling, please do not fail to sign up on the bulletin board. For those girls desiring lessons will be given.

CLASSES TO AID

(Continued from page one) sent to those French students considered by the authorities to be in greatest need.

Likewise, German 1 and German 21 have jointly contributed to a Care food package to Karlsruhe B. in Germany.

It is to be hoped that the generosity displayed by members of these language classes will be repeated in other classes throughout the campus.

Chapel Program Features Quartet

On Wednesday, January 7, the Meredith College student body was honored by the presence of the Utah Centennial Quartet, which is composed of two members from Utah, one from Idaho, and the accompanist from Arizona. The five men met in Durham about three months ago and began working on songs which could be sung throughout North Carolina. The quartet came to North Carolina to bring us the spirit of the Utah Centennial, which they are celebrating now. Their selection of music was chronologically arranged according to the growth of Utah since the time of its colonization 100 years ago. The fact that four of the earliest pioneers to Utah were from North Carolina explains the reason for the tour of the quartet to various points of this state.

DEAN ANNOUNCES
