Graduation Plans Near Completion

The commencement program will begin on Friday night at 8:00 p.m. with the recital given by the members of the junior class who are majoring in music and by the Glee Club.

On Saturday morning the program will continue with the annual meeting of Kappa Nu Sigma at 9:30 a.m. At 10:45 a.m. there will be the meeting of the Alumni Association followed by the Alumni luncheon. The Class Day exercises will be held Saturday afternoon at 4:30 p.m. Barbara Swanson and Osee Mac Johnson have been appointed as chairmen for this event. At this time the seniors will be serenaded by their Little Sisters as they walk through the traditional daisy chain.

The program for Saturday night includes Society Night, at 8:00 p.m. Awards by the A.A., the societies, the Colton English Club, and other organizations will be made. The new members of the Silver Shield will be tapped also. The annual meeting of the Silver Shield will be held following Society Night. As yet the speaker for Society Night has not been chosen.

Astros Give Baby Party

Don't be surprised if you see some lassies wandering around with their pantalettes showing on the night of April 2, for that's when the Astro lassies and their dates are dressing up as children ten years old or younger to go to the "Old South" baby party. Can't you imagine how thrilled the little boys will be at getting to wear their first long pants? All the couples are planning to look like pretty little southern belles and handsome young gents to compete for the prize to be given for the best dressed couple. If you'd like a preview of what is to be worn, go by the art gallery to see models in proper dress for such an occasion.

Miss Grant, president Shirley Powell, and date, in cute costumes, by the way, will be receiving the fun-seeking children in true southern fashion in the old-fashioned garden and rose-covered porch of their colonial mansion (alias Astro Hall remodeled by the decoration committee consisting of Gladys Greene, Jean Taylor, Peggy Patrick, and Dot Childress).

Entertainment, consisting of a good ole minstrel with real-man talent from State along with Meredith performers, is being planned by Pat Blackmon, Charlotte Bowman, and Billie Hart. In addition, there will be the awarding of the prize to the prettiest baby as judged from pictures posted in Johnson Hall. (Don't forget to enter your baby picture right away!) If further entertainment is desired, the children can swing, slide on sliding boards, or even make castles in the sand piles; and if guests are in a dancing mood, there may even be a grand ole Virginia Reel! Sounds like fun, eh? (There are going to be plenty of stags, too—none other than pledges from State College frats).

And there's a treat in store in the way of refreshments, which include pink lemonade and all the trimmin's. Anita Freeman and Patsy Emory are planning for those Negro mummies and butlers to serve you well. And according to southern tradition, invitations fitting such a party
