In the Night

The night was growing old
As she trudged through snow

Her nose was long and cold,
And her shoes were full of feet.

CHURCH SECURES TELEVISION SET

When tavern keepers started installing television sets in their businesses to attract customers, Rev. Darrell C. Richardson of Covington, Ky., feared they may encourage some of his young people to take the drink habit. Immediately he resolved to trade blows, tit for tat, with this competition to the way of life he preaches from one of the city's Baptist pulpits.

Now, thanks to Pastor Richardson and members of the Fort Mitchell Baptist Church, the city's youth can view their television shows in the church's recreation hall. It is believed to be the first television set used in the youth recreation programs of American churches.

Pastor Richardson, himself an athlete, has a well rounded recreation program — including, currently, eight basketball teams — "to help our young people have a good wholesome time."—Baptist Press.
