

TRUSTEES HOLD FEBRUARY MEET

The Meredith College Board of Trustees, meeting at the college on February 23, considered several important items of business. Four promotions of Meredith faculty members were made. Dr. Ione Kemp Knight in the department of English and Dr. Suzanne H. Freund in the department of foreign languages were promoted to associate professors; and Dr. Roger Crook in the religion department and Dr. Ethel Tilley in the psychology and philosophy department were made full professors.

Salary Increases Made

Salary increases made at this time provide for salary ranges of \$4,300-\$4,900 for instructors, \$4,900-\$5,600 for assistants, \$5,600-\$6,400 for associates, and \$6,400-\$7,400 for full professors.

Officers Elected

Another important concern was the election of officers for the coming year. Col. Wm. T. Joyner, Raleigh attorney, was elected president of the Board. Other officers are Mrs. William M. Watts, Asheboro, vice-president, and Mr. V. Howard Blecher, secretary-treasurer.

The business session also included a discussion of the Meredith College expansion program.

Wives, Husbands Invited

For the first time an invitation to the wives or husbands of the trustees was extended and fifteen attended. Mrs. Carlyle Campbell and Mrs. Robert Dayton were co-hostesses during the day.

Rice, Greene, Simmons Chosen To Lead Major Organizations

Students Reminded Of Summer Payment

Because there are so many applications for admittance to Meredith College for the 1960-61 school term and because the major concern of the college is for the large number of students already in school, the administration of the college is stressing this year the importance of students making their \$50 payment to the school by July 1.

This year letters will be sent both to the student and to her parents during the second week of June to remind them of the payment. Policies of the college must be met if students wish to re-enter next fall.

BOOK AUCTION SET FOR MARCH 31

The Colton English Club Book Auction, postponed earlier this month because of bad weather, has been rescheduled for Thursday, March 31. As previously planned, the Auction will be held in the Hut, beginning at 7:00 p.m. Dean L. A. Peacock will be the auctioneer.

Since the new date is just after Spring holidays, students and faculty will have an opportunity to gather up books at home to bring to be sold at the Auction.

Proceeds which come from the sale of books donated to the auction are used to finance a civic project which the club sponsors each year.

ALUMNA PRESENTS COLLEGE NEW ORGAN

Meredith College has recently received from an alumna of western North Carolina the gift of a new organ which will replace the organ presently in use in the small auditorium.

Austin Organs To Build

Austin Organs, Inc., of Hartford, Connecticut, which has built organs for a long period of time, has been contracted to build and install the organ. Several Raleigh churches have Austin organs, and the firm has the reputation of doing very fine work.

Dr. Cooper Is Supervising

Dr. Harry Cooper, head of the department of music, has had wide experience in developing specifications for organs; and he will supervise the completion of the work here to insure the meeting of specifications which he has compiled.

The firm is endeavoring to have the organ completely installed for use by the opening of the fall term in 1961.

Record Dean's List Announced

Ninety-eight students are included on the Dean's List released February 23, 1960, by Mrs. Vera Tart Marsh, registrar. This recognition, effective for the spring semester of this year, requires that a student be registered for at least twelve hours and complete and pass all courses with a number of quality points equal to twice the semester hours taken plus three.

Those students so recognized are as follows: Judith Leigh Avery, Mary Elizabeth Barnes, Margaret

Zelma Greene, Baptist Student Union president; Kathleen Simmons, president of the Athletic Association; and Kathryn Rice, Student Government president, were chosen by the student body to lead the major organizations in 1960-1961.

"Generation Without a Cause" To Be Featured At BSU Forum

A film entitled "Generation Without A Cause" will be featured at the next BSU Forum on March 23. This film was made on the Rutgers College campus as the students went about their actual college activities. It was shown by CBS on its nationwide television series, "Twentieth Century," which is known for its timeliness and provocative manner of presentation of the live issues of our day.

Film Raises Questions

Among the questions which the film raises are the following: Do you agree with Karl Barth's analysis that the materialism of our culture is more sinister than that of Communism? Do American college students have any greater purpose than merely filling telephone booths and growing beatnik beards? Have you identified your life with some great cause — worthy of the best?

NINE MEREDITH ART STUDENTS HAVE WORK ACCEPTED FOR EXHIBIT

The Carolinas' College Art Annual exhibition at the Columbia Museum of Art in Columbia, South Carolina, is being held this year from March 7 to March 25. All colleges in North and South Carolina are eligible to enter pictures, with each art department selecting and sending its students' work. No more than two pictures are accepted from one student.

Meredith Representation Is Largest
There are 46 paintings in this year's exhibition. Meredith's 11 en-

tries give us the largest representation from any one college. Nine girls entered and were accepted: Madeline Kleiman, who entered *Suzie and Family Circle*; Susan Sanderlin, who entered *Downward Motion*; Betty Lou Taylor, *Campus Scene*; Gail Stroupe, *Closet*; Suzanne Sault, *Girl in an Orange Sweater*; Nancy Whedbee, *Haelequin*; Carol Harrison, *Cathedral Window*; Carolyn Johnson, *The City and The Coming of Spring*; and Lureese Evans, *Nativity*. Madeline Kleiman and Nancy Whedbee won honorable mentions.

Resource Leaders Announced

Resource leaders for this forum will be Mrs. Miriam Hollis Prichard, executive associate director of the student department of the Baptist State Convention; the Rev. Rod Reinecke, chaplain to Episcopalian students at N. C. State College and rector of the Episcopal Church in Cary; and Mr. Phil Ellis, former news director of WPTF radio station and at present director of public relations for the State of North Carolina Ports Authority.

Faculty Showing Set

There will be a faculty showing of this film on Tuesday and Thursday, March 22 and 24 at 10:30 a.m. in 103 Joyner. Those who have seen the film think that it will certainly be worthwhile and perhaps challenging to see both parts of this film, and all faculty and staff members are invited to come.

Mrs. Clarke's Paintings Displayed

Last year Meredith had 5 paintings in the exhibition. Mrs. Ruth Clarke, the head of the art department, also has paintings on exhibit. Paintings are distributed around North Carolina and Virginia: in Winston-Salem, at Davidson College, in Norfolk, and in Raleigh.
