Kappa Nu Sigma Welcomes Four Junior Members, Presents Dr. Chalmers G. Davidson in Annual Lecture

On March 27, Kappa Nu Sigma held its annual banquet, lecture, and reception honoring this year's lecturer, Dr. Chalmers G. Davidson, his wife, and the four new junior members of the honor society. The new members are Carol Coxe, Sue Ennis, Frieda Farmer, and Carolyn Norwood. Carol Coxe, a Raleigh girl and an English major, has been active in many campus functions. She has served on stunt committees and Phi Supper Club committees, as a member of the B.S.U. Council, a group guide during orientation week, a member of the TWIG staff, and chairman of Religious Emphasis Week. In spite of all these activities, Carol still has time to devote to reading contemporary literature, sewing, and listening to contemporary music. After graduation with an A.B. degree in English and a teaching certificate, she plans to work for an M.A. in library science.

Ennis Has Double Major

Sue Ennis, coming from Dunn, N. C., is working toward majors in English and history. Her campus activities have included student government as treasurer of the association, A.A. board as basketball representative, the basketball team, the volleyball team, nominating committee, Colton English Club, Silver Shield, TWIG reporter, and stunt. She names as her hobbies all athletics.

Frieda Farmer comes to Meredith from Lynchburg, Va. She has

served on campus as junior association member of the Silver Shield, social chairman of B.S.U., and as secretary of the judicial board: She names as her interests music, reading, fishing, and dogs ("... especially my 40-pound mongrel, Bingo..."). Frieda is an English major with French and education as her related fields. She hopes one day to be teaching English on the secondary school level.

Carolyn Norwood

Carolyn Norwood, another Ra-

leigh girl, is getting a double major in English and history. Her interests are golf and reading.

Additions to Library Aid Student Study

Under the direction of Miss Hazel Baity, the Meredith College library has made two improvements designed to aid students in study — the establishment of a curriculum library and a rearrangement of two sets of encyclopedias for use in the upstairs reading room.

Teacher Aids

The curriculum library is being established especially for those preparing for the teaching profession. According to plans being developed now, this collection will include textbooks, courses of study and units of work, and supplementary materials. The present collection, made possible through funds received from the Kellogg Foundation, contains the basal and supplementary books adopted for use in the North Carolina schools and other supplementary materials selected by the professors who are teaching the special methods courses in the various subject fields.

Balcony Reference Work

In addition to this enlargement, a replacement of two sets of encyclopedias make reference work on the balcony easier. The *Americana* and *Collier's* encyclopedias have been placed on the shelves opposite the new study room.

Junior-Senior Set at Raleigh Woman's Club

Saturday night, April 20, the Junior Class will sponsor the annual Junior-Senior dance at the Raleigh Woman's Club. Dancing will be from 8:00 p.m. until 12:00 midnight in the club ballroom.

The senior class, their escorts and the class sponsor, Mrs. Helena Allen, will be guests. Invitations will also be issued to the faculty and administration.

Final plans are now being made (Continued on page 5)

Modern Prints To Be Featured in Gallery

On April 24, in the Meredith Art Gallery there will be a collection of modern Japanese prints provided by the Speedball Manufacturing Company. The exhibition will include twenty-four prints by various artists. Some of the titles are "Night Visitor," "Black Cat," and "Heap A."

Modern Print

This modern type of print, called *hanga*, differs from the older style of *ukiyo*. The process of the *ukiyo* includes the artist who designed the

idea, the wood cutter who fashioned the blocks, and the printer who printed the various stages. In the *hanga* process, the artist retains more originality by doing all three things himself.

Material Is Different

Another difference in the two schools is the material presented. While *ukiyo* is traditionally Japanese, *hanga* draws inspiration from all parts of the world. Thus, it provides another link between the new East and West.

Freshmen To Honor Juniors At Big-Sister Breakfast April 19

Elizabeth Nieuwenhuis, chairman of the Big-Sister Breakfast, announces that the freshman class will honor its big sister class with a spring breakfast on the lawn beside the Ellen Brewer House on April 19. She also states that her committee chairmen have been working in preparation for this event.

Chairman Marsh

Price Marsh, chairman of theme and decorations committee, has designated the breakfast hour from 7:30 to 8:15 as "Sisters in Wonderland." This theme will be carried

out by hostesses wearing costumes representing nursery rhymes and by the freshmen dressed in "little sister" style clothes. Betsy Scarborough, chairman of the food committee, has planned a menu of eggs, sausage, toast, donuts, milk, coffee, and juice. Mary Haverstock, publicity chairman is sending invitations to each junior prior to the breakfast.

Sisters Will Call

Each junior will be called for by her little sister who will accompany her to the breakfast.

S.A.I. To Sponsor Concert Given by Meredith Music Faculty

On April 29, at 8 p.m. in the Recital Hall of Jones Auditorium the music faculty will present their annual recital sponsored by the Sigma Alpha Iota musical fraternity.

This year's program will consist entirely of compositions by Joan Neighbors, a Meredith cum laude graduate. Miss Neighbors was a

piano major and a member of S.A.I. while at Meredith.

Composed at College

She, nevertheless, found time to do some composing here also. In fact, her four children's songs won top honors in the amateur division of the N. C. Federation of Music Clubs. Her senior recital contained (Continued on page 5)

Conference to Begin At Mars Hill April 19

The B.S.U. Leadership Conference will be held at Mars Hill College, April 19-21. The primary objective of the conference is to acquaint all the new B.S.U. officers with their jobs through workshops; however, students not on the council may also attend the conference. The four main speakers are as follows: Dr. Tom McCollough of Duke; Rev. Charles Davis, minister of the Mars Hill Baptist Church; Marse Grant, editor of the *Biblical Recorder*; and Jim Cansler, B.S.U. director at Carolina.

The Easter Sunrise Service will be held April 11, at 6:45 a.m. in the small auditorium. Don Shriver, minister to the Presbyterian youth in Raleigh, will be the speaker.
