## Friends Honor Pres. Campbell In Rockingham

On November 26, approximately two hundred people including ten Meredith faculty members, numerous alumnae, friends, trustees, convention personnel and members of the Campbell family met to express appreciation to Dr. Carlyle Campbell, the president of Meredith College since 1938.

"Carlyle Campbell Evening" was held in Rockingham at the Rockingham High School Cafeteria. G. Carl Lewis, pastor of the First Baptist Church in Rockingham, opened the evening with prayer after which greetings were given from the host, Dr. C. B. Deane. Dr. Deane, chairman of the Meredith Board of Trustees, told the group of some exciting plans for the promotion of the new \$600,000 Carlyle Campbell Library. Attention was given to the \$80,000 raised thus far, \$50,000 of which dates back to the Mary Reynolds Babcock Foundation Gift. During "Carlyle Campbell Evening," however, no funds were solicited. These guests will be encouraged to contribute at a later date.

Mrs. Jane W. Sullivan of Durham, graduate of Meredith and president of the Alumnae Association, sang as a part of the program. Following the music, W. W. Finlator, pastor of Pullen Memorial Baptist Church, praised Dr. Campbell and his dedication to education.

Dr. Deane presented to Dr. and Mrs. Campbell a silver punch bowl commemorating the silver anniversary year of Dr. Campbell's presidency. Dr. Campbell's message illuminated the essence of education. The literal meaning of the word education is "to lead out," or "to lead forth," intensified Dr. Campbell's aphorism: "Our objective must ever

## Annual Christmas Banquet To Be Staged Tonight; Christmas Caroling and Hall Parties End Festivities

Miss Hunter, Miss Holler, and Georgia eagerly prepare decorations for the Christmas banquet. The dining room staff work diligently each year to make the banquet a success.

The annual Christmas banquet, sponsored by the Meredith Christian Association, will be held on December 19, at 6:00 p.m. in the dining hall, with special guests attending. Dress for the occasion will consist of cocktail dresses for students.

Miss Hunter has planned for a family style dinner this year. A traditional turkey dinner will be served, with a special appetizer and salad, and a dessert may be selected from a display in the center of the dining hall. The decorative motif this year will be red and gold.

After the meal entertainment will be presented. Anne Pepper Poole will present a reading. The Meredith ensemble consisting of Mary Lyon McKinney, Betsy Boone, Betty Garvey, Polly Finan, Nancy Godwin, Trish Walker, Sarah Parker, Cindy Swayne, Priscilla Macomber, Elizabeth Holland, Agnes Yelton, and Nancy Buffalo, and accompanied by Margaret Simmons, will sing. As a conclusion the kitchen staff, as in years past, will sing Christmas carols.

### Caroling at Nine P.M.

A second traditional event highlighting the holiday season will be Christmas caroling in Raleigh by the Meredith student body. Sponsored by the Athletic Association, the caroling will begin at 9:00 p.m. with all students who have bought tickets for a small fee boarding the buses in front of Johnson Hall. If students wish to board buses by halls, they may sign a list which will be posted in Johnson Hall. The buses then carry them on a round of caroling to the homes of various faculty members who have made the request, as well as to the governor's mansion and Dr. Campbell's home. After arriving back at school, the students will go to their halls for suite parties.

### Students Invited to Join Coopers on European Trip

Dr. and Mrs. Harry E. Cooper are planning to tour Europe this summer. Dr. Cooper is head of the music department and Mrs. Cooper is in charge of the Meredith news bureau. Travel to eight countries will be included on their itinerary. The trip will be their third trip to Europe in the past five years. The Coopers would like to have interested students travel with them. Anyone interested is asked to call Dr. or Mrs. Cooper or write them at the college.

### College Gains Riding Teacher; New Horse Given by Morris

It has been announced that Mrs. Lila Phillips Bozick of Southern Pines, has been added to the equitation staff of Meredith College. Mrs. Bozick will teach forward seat riding and some practical aspects of hunting. The frequency of her visits to the campus will depend on the number of interested college and town students. The official schedule for

classes has not yet been announced.

Mrs. Bozick formerly taught at Stephens College in Missouri and is a recognized AHSA judge and licensed race horse trainer. Under the instruction of Carol Durand, she became the first woman to be chosen for the U. S. Olympic Equitation team. Mrs. Bozick also helps her father, Lyle Phillips, run their thoroughbred farm in Ocala, Florida. At the Meredith stables now is Mrs. Bozick's registered thoroughbred, Lake Champagne, who will be used by the students for instruction.

He is a dark brown four-year-old who won \$15,000 on the track last year. After suffering an injury to his sesamoid bone, he was converted to a hunter. Mrs. Bozick has selected other horses from the Meredith Stables to be used in her program. These are Sea Shell, Easy, Craftsman, and Carolina Holiday. Mrs. Bozick's groom, House Cat, has had experience on the track riding race horses, and he may help train some of the youngsters at the college barn.

## Herndons Give Students Christmas Tree

Meredith girls thank "Pops" for graciously giving his wife's Christmas tree to the college. Mrs. Herndon, standing with him, was in for a surprise when brought to see her cut tree.

The tall, beautifully-shaped Christmas tree in front of Johnson Hall is a gift to the Meredith girls from Mr. and Mrs. R. L. Herndon. "Pops," as Mr. Herndon is affectionately called by Meredith students, explained that this is his way of saying Merry Christmas to all his girls.

The tree which is standing in front of Johnson Hall has a special meaning to "Pops" and especially to his wife. Mrs. Herndon planted the spruce tree approximately sixteen years ago in the yard of the Herndon's home on East Chatham Street in Cary. The Herndons recently moved from this home to a new site at 216 Urban Drive, Cary. The site of their old home is zoned for business and the property is to be razed. Mr. Herndon realized that the tree would make a beautiful Christmas tree. He understood that the tree would have to be cut down, so he decided to bring it to Meredith. It is at this point that Mrs. Herndon became sentimental. She stated that she didn't really want the tree cut down because she had enjoyed watching it grow so much. But "Pops" wanted this gift to give to the girls at Meredith, so the tree was cut.

The lighted tree is standing in front of the college. "Pops" and Mrs. Herndon wish "everybody a Merry Christmas and a Happy New
