Graham, Marine Band to Be At JFK Library Ceremony

Editor's note: The following article was sent to THE TWIG to be presented to the student body of Meredith College.

What is its purpose? To raise \$230,000 as North Carolina's part towards the building of a library in honor of the late President

John F. Kennedy.

Are contributions tax deductible? Definitely yes — rulings have been obtained from both State and Federal revenue officials.

To whom should checks be made payable? To "Kennedy Library Fund."

To whom should checks be mailed? To Charles A. Poe, Wake County Chairman, Insurance Building, Raleigh. Or to the Governor's office, which is the address shown on the coupon attached to the campaign pamphlet. (Where soliciting from a large group of which you are a member, you may get better results by requesting them to turn over all contributions to you, which you can then forward to Charles A. Poe, P. O. Box 2454, Raleigh.)

Amount of Donations

How much should we request? Any amount from \$1 up will be appreciated. However, it is suggested that you seek \$10 donations, since that amount will entitle a donor to a ticket to the big celebration in Kenan Stadium May 17, where the featured speaker will be the famous Dr. Billy Graham. Each parent with a \$10 ticket is also entitled to a free ticket for one child 15 years old or younger (which ticket will be stamped "CHILD"). All tickets are reserved seats.

What is the time and place of the ceremony? 3 p.m. Sunday, May 17, in Kenan Stadium, Chapel Hill, N. C. In addition to Dr. Billy Graham, the United States Marine Band has been invited as well as Mrs. Jackie Kennedy.

How will tickets be obtained? They will be mailed by Charles A. Poe, Wake County Chairman (or by the Governor's office, depending upon where the check is mailed), and will be sent to the name and address appearing on the check, unless otherwise instructed. The donor should indicate on the check whether a free child's ticket is requested.

Cash Donations Are Preferred

What about cash donations? In order to avoid pilferage from the
