

CCA plans events and travel board

The College Center Association began the new year with a pizza party for old and new members last Wednesday night. Chairman Vivian Craig outlined plans for a busy year, including concerts, dances, movies and special projects.

The Spurrrows, a versatile musical touring group, are scheduled to appear at Meredith September 27. The annual Christmas dance is still in the planning stages, but is tentatively scheduled for December 1. Any student who

has knowledge of an available band for the dance should contact Debbie Godwin.

Friends of the Movies series tickets are now being sold by CCA members until September 16. Movies will be shown one Sunday a month at 3:00, 7:00 and 9:00 P.M. unless otherwise announced. The ticket for the nine movies is being sold for \$4.00. Students may purchase tickets for their dates at the same price. Some of the favorite movies being shown include "The An-

dromeda Strain," "The Music Man," "Bullitt," "Thoroughly Modern Millie," and "Play Misty for Me."

The Student Directories are in the process of being put together and printed. The Directories will sell for \$5.00 each and will include each student's home address and school phone number. These should be out the first week in October.

The College Center Association will continue to keep games available in the

Center at the following times:
Thursday 6:00-9:00 P.M.
Friday 6:00-11:00 P.M.
Saturday 1:00-6:00, 7:00-11:00 P.M.
Sunday 2:00-5:00, 6:00-9:00 P.M.

Students and their dates are urged to use these games. Contributions and suggestions of new games are being accepted.

A visit over to the ride board located in the lobby of the post office may be helpful. There you will find "rides

needed" and "riders needed" cards available.

The College Center Association hopes the board will be useful and beneficial to each student.

The art shows will continue in the College Center this year. Shows will include photography and works by guest artists. The calendar will also be displayed this year on the first floor of the Center. New plans and the renewal of old projects will continue throughout the year.

YDC at Meredith discusses goals

Meredith's Young Democrats Club (Y.D.C.) had its first meeting of the year Tuesday, September 4. The members discussed goals and projects for this year's club and elected officers.

The Y.D.C. for 1973-74 will establish the background for a strong and enthusiastic club by uniting the party once again, working on fund raising and becoming involved in upcoming issues in the North Carolina Democratic Party.

This summer the National Convention was held in Louisville, Kentucky. Ann Wall and Cathy Rodenberg represented the Meredith chapter at the convention.

Some Meredith representatives attended the fund raising dinner sponsored

by the state Y.D.C. in honor of Senator Sam Ervin September 8 in Drexel. Also at the dinner and following parties were noted scholars, senators, and some politicians from other states. The Meredith chapter will also be participating in a nationwide telethon on September 15.

Some of the meetings will be merged with those of N.C. State's Y.D.C. in an effort to gather more information about happenings in the Democratic Party.

If you would like to join the club just contact any of the newly elected officers who are Cathy Rodenberg, president; Donna Taylor, vice-president; Kathy McGrath, secretary; and Cindy Snipes, treasurer.

MCA sees big year

The big word in the Meredith Christian Association this year is "Christyle." A term borrowed from last spring's REW, it means the individual's particular and unique way of serving God and Christ. According to Louise McCaskill, president, the MCA must be "an example of our lives." Therefore, this year's emphasis will beon living the Christian life in everyday situations.

Concern with the female role in today's world is evident in plans for the two major events of the MCA calendar. On October 9-10, the MCA Forums will present discussions on the topic "Human Sexuality." Religious Emphasis Week, for the first time in November, focuses on the place and importance of women, particularly Christian women, in

all areas of life.

A more concentrated effort to increase student participation in the Wednesday services is seen in the Worship Committee's plans for the year. The programs will be entirely student-planned and student-run, utilizing more of the diverse talents on campus. Various members of the MCA will be in charge of a particular service, doing with it what they want. Also, as in previous years, outside groups and speakers will take part in the services. Some of those tentatively planned to lead worship during the fall semester are the Baptist Student Union, a speaker connected with the Billy Graham Crusade, Albert Long, Joe Mason and Heather Walker, Miss North Carolina, 1973.

1300 enrolled for fall semester

Meredith is again at its capacity enrollment this year. Approximately 1300 students have enrolled. The freshman class is slightly smaller than last year because more upperclassmen have returned to the campus and a larger number of transfers were accepted.

Since 1968, Meredith has steadily increased its enrollment from 882 to its optimum enrollment of approximately 1300, as projected in a college long-range plan. All residence facilities are full, just as they were last year.

Facility improvements on the campus include renovation of Jones Auditorium, Belk

Dining Hall, the fourth floor of Stringfield Residence Hall, and the addition of 100 parking spaces to the campus.

Improvements to Jones Auditorium include air conditioning, acoustical treatment, and redecoration. Belk Dining Hall improvements include renovated kitchen facilities and new wall paper.

Continuing Education, after one year of operation, has doubled its offering of non-credit enrichment courses. Seven courses are being offered, beginning in early September, in the areas of art, music, English, religion, and history.

Placement ...

with the U.S. Department of State are available. Foreign Service carries the Responsibility of conducting relations with foreign powers and international organizations; for protecting and advancing political - economic and commercial interests of the United States overseas; and for rendering a variety of services to individual Americans abroad and to foreign nationals traveling in the United States. Additional information and

application forms are available and should be sent in by October 31. The test will be given in Raleigh on December 8, 1973.

Vocational Guidance and Placement has been moved to the College Center, next to the post office. It is open from 8 to 5 and no appointment is necessary. Services available include occupational information, on campus recruiter interviews, graduate school catalogues and information, senior job placement and interest testing.

N. C. Demo Party sets rally

The North Carolina Democratic Party will hold the biggest rally in its history on September 15 at Reynolds Coliseum in Raleigh. This statewide rally is being staged in conjunction with the National Democratic seven-hour Telethon originating in California on NBC-TV at 7 PM.

The theme, "American Goes Public," will be accented with the excitement of auction sales of meat and other hard-to-get items; door prizes including

a color TV set; live entertainment with such groups as "The Generation Gap," "The Midnight Minstrels," "The Dynamic Upsetters," vocalists Carol Sloane, and featuring the originators of the new record sensation "Senator Sam," Charles Burt and Charlie Hicks. Popular radio star Pat Patterson will act as emcee. Reports of pledges from across the state and nation will be viewed on TV screens to be set

up in the Coliseum.

Mrs. Marvin R. Daughtry of Garner, Rally Chairman, said, "Thousands of enthusiastic Democrats from all over the State are planning to be here in Raleigh. Orders for chartered buses have been made to bring in the crowds. Every effort is being made by each Democratic Precinct Chairman and Vice Chairman in the state to make this Raleigh Rally a really big show."

prospective teachers are: November 10, 1973, and January 26, April 6, and July 20, 1974. The tests will be given at nearly 500 locations throughout the United States, ETS said.

Results of the National Teacher Examinations are used by many large school districts as one of several factors in the selection of new teachers and by several states for certification or licensing of teachers. Some colleges also require all seniors preparing to teach to take the examinations.
