

Placement office notes

Senior tall tale

(Continued from Page 3)

PACE (Professional and Administrative Career Examination). The PACE exam is the entryway to a wide range of federal jobs. Applications and more information in the Career Planning Center.

Olin Fellowships For Women

Olin fellowships are open to candidates for advanced study in any of the following graduate and professional fields at Washington University: biological and biomedical sciences, the humanities, physical sciences and mathematics, social and behavioral sciences, architecture, business ad-

ministration, engineering, law, medicine, and social work. Any woman graduate of a baccalaureate institution in the U.S. who plans a career in higher education or the professions is eligible to apply.

Test Information

GRE's Deadlines: Nov. 19 for Dec. 14; Dec. 24 for Jan. 18. Pharmacy College Admission Test: Nov. 9. NTE: Nov. 9; Jan. 25 (register by Jan. 2). Business Boards' Deadlines, (ATGSB): for Nov. 2, Oct. 11; for Jan. 25, Jan. 3. Law Boards' Deadlines: for Dec. 7, Nov. 11; for Feb. 8, Jan. 9.

Film Offered

A film on the interview process and preparation to interview is available to students. Stop by the Career Planning Center to make arrangements to see it. We prefer to show it to a group of 5 or more.

UNC Law School

The Student Bar Association of UNC Law School has planned a special program for minority students from all over the state who have some interest in the study of law, on Saturday, November 9, in Chapel Hill. The program starts at 8:00 a.m.

School of Library Science

North Carolina Central University will recruit at Meredith, November 4 from 3:30 to 4:30 p.m. Their program, Early Childhood Library Specialist Program,

includes graduate work in learning theories, early education, parent education and community relations. These are included in the 36 hours required for the Master of Library Science. Graduates of the school and this program are qualified to organize, supervise, and direct early childhood centers and programs in schools, public libraries, and related agencies and to function as a professional librarian in all types of libraries.

December Graduates

Remember to start your Placement file NOW! Everyone should start one—you may not need it now, but later on in life it may prove valuable. It takes just a few minutes to start.
