Meredith golf team wins state championship

by Darla Stephenson

On Saturday and Sunday, November 15 and 16, the Meredith Golf Team traveled to Pinehurst where they won the NCAIAW State Championship on Course No. 1 of the Pinehurst Country Club.

It was the third time in the history of the school in which Meredith had team members who qualified for the State Tournament. It was the second time in which Meredith had the entire team to qualify for the tournament.

The Meredith squad won the NCAIAW title with a 2-day team score of 708 strokes, hounded by a tough UNC-Wilmington with 709 strokes.

Coach Fred Thompson believed the team's performance was an "outstanding example of what a golf team should be. Each girl out there did what she had to do."

Although the first day of the tournament was played in drizzling rain, the Angels

finished with a team score of 358, a 7 stroke lead over UNC-W, the chief contender for the title, and with Sophomore Kathy Reibsamen placed second in individuals. Not a bad start! Kathy led the team with a low score of 87, followed by Peggy Williford with 88, Susan Wrenn 89, and Rebecca Baucom with 94.

Sunday was a little drier, but gusting winds and extremely cold weather set in. On the first four holes, Meredith lost its 7 stroke advantage and was now tied with UNC-W.

Coach Thompson described the day's events as "one of the most tense days we've ever spent." By the 16th

tee, Meredith had to play par golf in order to win the tournament. And they did! Thompson remarked that playing par golf on that stretch "pleased me more than anything else"

Again, the Angels beat UNC-W by 1 stroke. While Kathy Reibsamen was the low scorer for the team, Thompson points out that it was "a combined effort" of each player, for each player came through for the team when needed.

Kathy tied for second place in the individual competition, forcing her to go into sudden death against UNC-

W's Donna Barnett. Barnett victorious, Kathy finished third in individuals.

For Meredith, the 1980-81 team produced the lowest 2-day aggregate team score ever. Furthermore, Sunday's team total was 350--the lowest team total in the school's history.

As for individual scores, the score of each team member was lower than the score of any one member who had previously participated in the State Tournament. Kathy Reibsamen, Peggy Williford, and Rebecca Baucom were named to the All Division III State Tournament All Star Team.

Because of Meredith's victory at the State Tournament as well as second place in the regionals, the school will likely get a bid to the nationals in June. However, Meredith golfers are already preparing for the spring schedule with the Duke Spring Invitational and the William and Mary Invitational on the agenda.

Coach Thompson concluded that he "couldn't say enough about these girls." He looks at the NCAIAW Championship as a turning point in the program at Meredith. Thompson attributes much of the team's success to Sam Brewer, Head Pro, and Billy Newton, Assistant Pro at Raleigh Country Club. He feels that these two as well as access to the course there had a "profound effect on the girl's play this year."
