Circulation changed

Beginning February 25, the TWIG will no longer be delivered door to door to students on campus. Instead, students may pick up the TWIG in Cate Center or in the main parlor of their residence hall. TWIGs will continue to be delivered to faculty, staff, and administration as in the past.

The new circulation policy is on a trial basis only. The TWIG is trying to develop a more efficient way to manage circulation and encourages suggestions from students. Students are asked to fill out the form on Page 4 in the next few weeks and return it to the TWIG Office on 2nd Cate or to 118 Heilman in order to help the staff serve the Meredith community more effectively.
