Designer to speak on "Women, Men, Fashion"

by Lisa Sorrels

Is your closet so clustered with designer labels that you're afraid they converse in the dark? You can hear the nation's outstanding designer of men's fashions speak at 10 o'clock on December 7, in Jones Auditorium. Alexander Julian, a Chapel Hill native, will discuss the subject "Women, Men, Fashion."

Julian was asked to speak to the Meredith community primarily because women purchase 90 percent of the men's clothing that is purchased. Furthermore, the

designer has won the Coty Award in both 1977 and 1979 for outstanding fashion designs. Julian has more recently won the first Cutty Sark Award for the outstanding men's fasion designer. This award, which consisted of a silver replica of the Cutty Sark ship and a \$5,000 scholarship to be established in his name at the school of his choice, is presented in conjunction with the Men's Fashion Association. Since 1975 he has been President of Alexander Julian, Inc., of New York City. Mr. Julian will have a

slide show to accompany his talk. After the convocation, there will be an informal discussion in the Fireside Lounge along with a videotape presentation. Now, confess: when your designer labels go bump in the night, do they gossip about how much clothing you buy for your men?

Christmas Dance '81

by Linda Sellers

Would the average Meredith student consider paying \$100 or more for an evening with their date? The answer is probably yes.

Meredith's annual Christmas Dance, sponsored by CCA, will be held December 5 from 9:00 p.m. - 1:00 a.m. in Belk Dining Hall. The band "Chaser" will provide entertainment for the evening.

Traditionally, most Meredith students choose to pay for at least part if not all of the evening for herself and

her date. This includes dinner, tickets to the dance, and any outside parties the couples wishes to attend.

Many girls also purchase new dresses for the semi-formal affair.

"If I had to do it again, I would spend the same amount of money," stated one student who went to the dance last year. "It's really worth it."

So, whether you take your date to the Angus Barn or McDonald's, consider this: Christmas only comes once a year.
