GOALS & PHILOSOPHY:

For a program or form of government to really work and accomplish goals, you need a willing dedicated leader but more importantly you need support. Residence Hall Board is concerned with the total dorm life experience for each Meredith student. As chairman I want to make each student aware that the board needs individual input of ideas and put into action to make residence hall life the very best it can be. Residence Hall Board can be the center to get feedback and see goals reached even surpassed - if each student takes the challenge to feed in their desires!

Concerts and Lectures Committee Chairman

Melody V. West

Name: Melody V. West
College Address: 109 Poteat
Major: English
Year in college: Junior

QUALIFICATIONS:

I'm a hard worker and a good organizer. I'm interested in bringing to campus those musicians and speakers that students are interested in.

OTHER ACTIVITIES:

I'm actively interested with the Colton English Club, which promotes an interest in lectures. I have a musical background, and I enjoy all types of music.

GOALS & PHILOSOPHY:

The Concerts & Lectures Committee brings to Meredith's campus musicians and speakers which will interest and entertain students and faculty. I want to find out what types of musicians and speakers students and faculty are interested in, so that the Committee can cater to their interests.

I believe that education goes beyond the classroom - it extends to the concert hall and lecture room. We have much to learn both from the language of music and from the thoughts of others.

GOALS & PHILOSOPHY:

Planning Wednesday services has taught me about organizing and about worship at Meredith. The 1981-82 committee has tried to minister to the spiritual needs of the Meredith community and to provide variety in the services. My experience as chairman this year has also encouraged me to run for this position again in order that I may aim higher in my goals for Wednesday worships on campus. I would like to see more students, faculty, and staff attend worship regularly. I hope for more thought-provoking, exciting, confrontive times of worship for next year. Thank you for your support in the election and especially for supporting Wednesday worship by your attendance and concern.
