

Vann Team Wins Intramurals

Volleyball Intramurals were held September 20-22. Games were held in the courtyard on Monday and Wednesday but in the gym on Tuesday because of rain.

Teams participating were 2nd Vann - Teams A and B, 2nd String, 3rd String, 4th String, the Sextuplets (1st Fair), 4th Brewer, MCA, Red Jello (SGA Executive Committee), and the Spikers.

Competition was tough. 2nd Vann - Team A and 2nd String were in the championship game on Wednesday. The 2nd Vann team was victorious.

Team members were Stella Miller, Shella Sykes, Laura Cochran, Toni Beasley, Lou Ann Puckett, Liz Dunker, Mary Lynn Purcell, and Betsy Short.

Meredith Recreation Association was in charge of intramurals and was responsible for it proceeding so smoothly. They would like to thank maintenance who marked off the court not once, but twice.

MRA will sponsor Kickball Intramurals October 11-12. Start planning a team now and think ahead!

Four Open Days Scheduled

Prospective students frequently find that talking with enrolled students is their best method of learning about the College. To assist them in learning about Meredith, the Office of Admissions hosts a series of Open Days to invite high school seniors to spend a full day on campus.

Open Days 1982-83 are planned for October 7, October 27, November 18, and February 3. Student visitors will have the chance to attend an 11:00 a.m. and possibly a 3:00 or 3:30 p.m. class, have lunch in the dining room, hear from enrolled freshmen about their experiences during an

informative session, and tour the campus. If parents accompany the students, there is an information session planned for them as well as lunch on campus and a tour.

Some enrolled students at Meredith will be requested to serve as class hostesses or tour guides for the visitors, but all enrolled students will be influencing the impression guests have of the College. The classroom atmosphere will be especially important since for many prospective students the class visit is their only exposure to the academic program. The welcome the

faculty and enrolled students extend at the opening of class, then the level of academic experience and participation play an important part in the visitors' opinion of the quality of the program here.

If any enrolled students have high school senior friends who might be interested in attending Open Day, please contact the Office of Admissions for information on registration. In April, 1983, there will be a Visitation Day for high school juniors also sponsored by the admissions office.
