

ASPA Notes

By Ellen Austin and Laura Payne

The Meredith College Student Chapter of ASPA met November 16 at 7:00 p.m. in the Harris Conference Room. The speakers discussed their positions in the field of personnel. Diana Nicklaus discussed her responsibilities, such as job placement, at the Employment Security Commission. June Lindbergh spoke on the advantage of working for Manpower.

ASPA's December project was to visit Knollwood Manor, an extended health care facility in Raleigh. The group met with the patients to sing carols and eat Christmas goodies. As a gift from ASPA the patients re-

ceived the Meredith Chorale Christmas album.

After a much-needed Christmas holiday, ASPA met on January 18 at 7:00 p.m., in the Chapel Commons. Lu Ann Herring from NCNB and Glen Pritchett from Mallinckrodt discussed proper interviewing techniques and answered questions posed by the students.

The yearbook picture for ASPA was taken in Johnson Hall January 24 at 7:45 p.m.

The next meeting for ASPA will be February 15 at 7:00 p.m. George Shelton will be there to discuss business growth and unions in North Carolina. This will be a very interesting program and all ASPA members and faculty are urged to attend.

The program is open to all Meredith students, faculty and staff for the purpose of promoting health and physical fitness through running and-or walking. An entry fee of \$3.00 will be charged. Participants will predict the amount of miles they expect to cover by the end of the semester. Miles can be counted by running or walking. This semester swimming will be added to the miler program. Thirty-six lengths will be considered equivalent to a mile.

Participants may begin the program as soon as they submit entry forms and \$3.00 to the Cate Center Box Office. Miler log sheets should be picked up when you submit your entry form. Mileage goals should be achieved and log sheets turned in by April 25, 1984.
