THE PUBLISHING INSTITUTE offers a concentrated, four-week, full-time course for 6 quarter hours of credit devoted exclusively to book publishing, July 9 - Aug. 3. The Institute is designed for recent college graduates with B.A. or B.S. degrees who are seeking careers in book publishing. Admission is highly selective and competitive. Applications must be submitted by April 1, 1984. Application forms may be obtained by writing the Dean, Graduate School of Librarianship and Information Management, University of Denver, Denver, Colorado 80208. Tuition will be \$1300. Student housing is available and students may purchase meal tickets as needed.

GRADUATE PROGRAM

THE JULIUS A. THOMAS FELLOWSHIP PROGRAM is training students from ethnic minority groups who are pursuing a career in career counseling and placement. \$2,500 stipend with \$150 for books and materials. Closing date for applications is May 1, 1984. Information and applications are available in Career Services.

GRADUATE STUDY IN PHARMACOLOGY - University of Miami School of Medicine offers M.D. - Ph.D. Joint Program. The medical school sponsors a combined program for a student to obtain both an M.D. degree and a Ph.D. degree in a department of the medical school. The applicant must first be accepted into medical school. Financial support is available for graduate education and some support may also be available during the medical phase of the student's education. A combined M.D. and a

Ph.D. in Pharmacology will offer the student an excellent training for clinical or basic pharmacology. Financial Aid: All students accepted into the program will be awarded pre-doctoral fellowships or assistantships carrying a stipend of \$7,500 per year for the four years of the study and in addition, complete waiver of tuition is provided. Application Information: Undergraduate background in chemistry and biology. Good undergraduate course records and high performance in the Graduate Record Examination.

GRADUATE PROGRAM IN HOSPITAL AND HEALTH SERVICES ADMINISTRATION - Ohio State University. Graduates assume leadership roles which include management of hospitals, ambulatory and long-term care facilities, health maintenance organizations, mental health and public health programs; policy and management positions in public and private organizations that finance, regulate, and plan health services; and management consulting.

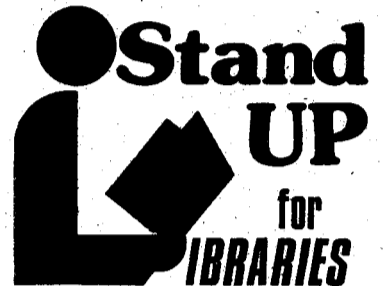

The graduate can expect opportunities to interview both for immediate management employment and for the increasingly popular and competitive post-graduate Administrative Fellowships.

More information can be obtained from: Graduate Program in Hospital and Health Services Administration, The Ohio State University, 1583 Perry Street, Columbus, Ohio 43210-1234, Telephone 614-422-9708.

THE PSYCHOLOGICAL STUDIES INSTITUTE AT GEORGIA STATE UNIVERSITY is the first graduate-level training program in counseling psychology with a Christian emphasis established in cooperation with a secular university.

Degrees are offered in the master's specialist, and doctoral levels. The 1983-85 catalog is available in Career Services.
