Living off campus approved for seniors

by Cynthia Church

A limited number of rising seniors will be permitted to live off-campus during the 1985-86 school year.

"Because we are over-housed next year we have decided to let a maximum

of fifteen students live off-campus," said Dean Dorothy Sizemore.

Sizemore added that because Meredith is a "residential college" the off-campus decision is made on a yearly basis. If the college did allow any number

of students to live off-campus, the cost of housing would increase.

Rising seniors will receive a letter from Dr. Sandra Thomas explaining the process to follow when applying to live off-campus.

Cosmic Breadsticks: Success!

by Zan Bunn

For those who do not know what a "Cosmic Breadstick" is, below is a list of the qualifications: You must be a Meredith angel, be able to dance, be able to lip sync, and *must* be able to do "the Bird"! If you're still in the dark, the Cosmic Breadsticks are the hottest lip sync group to hit Raleigh in 1985!

The "Cosmic Breadsticks" are four Meredith Angels, Lori Dowdy, Karen "Buzze" Mann, Dalinda Dunn, and Becky Smith, who imitate Morris Day and the Time performing "The Bird". A popular question asked is, "How do four white girls transform themselves into four black men?" According to Lori Dowdy (Morris Day), the Breadsticks started with the purchase of their costumes from Goodwill. But clothing and shoes were only the beginning. Further transformations were made possible through dark foundation makeup applied to hands and faces. Wigs also added to the convincing appearance. But most importantly, acting is the key to the success of the Breadsticks-- and do they ever perform! Time spent watching the video was time well spent. Finally practice, practice, practice made them perfect.

The Breadsticks debuted at the Meredith Lip Sync Contest on February 6, 1985 and they won first place and

\$100.00. Next, they were the featured entertainment at Stunt '85 on February 20. The crowd really enjoyed them but Stunt was only the beginning. It was on this same night that the Cosmic Breadsticks performed in their first appearance in the Ferrari's -G105 Lip Sync Contest. The criteria for judging were lip sync ability, crowd response, and originality. The Breadsticks dazzled the audience and impressed the judges as they won, and beat the three bands performing in this preliminary competition. Their win enabled them to appear on Friday, March 15 in the semifinal competition.

Once again there was an awesome turnout of support from Meredith for the Breadsticks. Once again they performed brilliantly. And once again they won!

They were on their way to the finals!

The finals occurred on Wednesday, March 20 and Ferrari's was jam packed. Meredith Angels were everywhere. The stage was set. By luck of the draw, the Cosmic Breadsticks performed first. A group of guys from Duke, also doing "The Bird", were second. They were followed by Rat, Van Halen, and the Chipmunks.

The Breadsticks were a hard act to follow. The crowd favorites seemed to be The Breadsticks, the Tyme from Duke,

and Van Halen. It was going to be close because the crowd had been treated with five very good acts. However, fifteen judges returned their ballots and the crowd waited for the announcement of the results. Third place went to the Chipmunks. Second place went to The Tyme

The moment the audience had been waiting for -- first place went to Meredith's own Cosmic Breadsticks!! They won the contest and \$500.00

Lori, Dalinda, Buzze, and Becky would like to thank all those at Meredith who went to Ferrari's and supported

them. They would also like to thank the faculty and staff who supported them. They would also like to thank 3rd Faircloth for the use of their parlor as a "practice stage".

When asked whether their act would continue, Dalinda Dunn said she was unsure. She did say that supporters have suggested they be on "Puttin' on the Hits." The financing of this trip could promote a problem; however, Dunn said that she felt supporters would do everything possible to fund the trip. Dunn said that they may write or call for information about how to be on the show.
